

Federally Required Lead Hazard

Information and Disclosure Addendum

Date of Lease: June 1, 2018

(when the Lease is filled out)

**IMPORTANT NOTICE TO RESIDENTS:** The following information is taken from a brochure entitled “Protect Your Family from Lead in Your Home” prepared by the U.S. Environmental Protection Agency, the U.S. Consumer Product Safety Commission and the U.S. Department of Housing and Urban Development. **While the information must be distributed to residents before they become obligated under the lease for most types of housing built before 1978, it does not mean that the dwelling contains lead-based paint (LBP).** The brochure was written in general terms and applies to both home purchasers and renters. The information outlines action that can be taken to test for, remove or abate LBP in a dwelling. The TAA Lease Contract (“Lease”) specifically prohibits a resident from performing this type of work—only the dwelling owner may do so under the Lease. If you have any questions about the presence of LBP in your dwelling, please contact the owner or management company before taking any action to test, abate or remove LBP. **NOTE:** Page references in the content of this form are to pages in the EPA brochure.

Are You Planning to Buy or Rent a Home Built Before 1978?

Did you know that many homes built before 1978 have **lead-based paint**? Lead from paint, chips, and dust can pose serious health hazards.

**Read this entire brochure to learn:**

- How lead gets into the body
- How lead affects health
- What you can do to protect your family
- Where to go for more information

**Before renting or buying a pre-1978 home or apartment, federal law requires:**

- Sellers must disclose known information on lead-based paint or lead-based paint hazards before selling a house.
- Real estate sales contracts must include a specific warning statement about lead-based paint. Buyers have up to 10 days to check for lead.
- Landlords must disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a specific warning statement about lead-based paint.

**If undertaking renovations, repairs, or painting (RRP) projects in your pre-1978 home or apartment:**

- Read EPA’s pamphlet, *The Lead-Safe Certified Guide to Renovate Right*, to learn about the lead-safe work practices that contractors are required to follow when working in your home (see page 12).

Simple Steps to Protect Your Family from Lead Hazards

- If you think your home has lead-based paint:**
- Don’t try to remove lead-based paint yourself.
  - Always keep painted surfaces in good condition to minimize deterioration.
  - Get your home checked for lead hazards. Find a certified inspector or risk assessor at [epa.gov/lead](http://epa.gov/lead).
  - Talk to your landlord about fixing surfaces with peeling or chipping paint.
  - Regularly clean floors, window sills, and other surfaces.
  - Take precautions to avoid exposure to lead dust when remodeling.
  - When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe certified renovation firms.
  - Before buying, renting, or renovating your home, have it checked for lead-based paint.
  - Consult your health care provider about testing your children for lead. Your pediatrician can check for lead with a simple blood test.
  - Wash children’s hands, bottles, pacifiers, and toys often.
  - Make sure children eat healthy, low-fat foods high in iron, calcium, and vitamin C.
  - Remove shoes or wipe soil off shoes before entering your house.

Lead Gets into the Body in Many Ways

- Adults and children can get lead into their bodies if they:**
- Breathe in lead dust (especially during activities such as renovations, repairs, or painting that disturb painted surfaces).
  - Swallow lead dust that has settled on food, food preparation surfaces, and other places.
  - Eat paint chips or soil that contains lead.
- Lead is especially dangerous to children under the age of 6.**
- At this age, children’s brains and nervous systems are more sensitive to the damaging effects of lead.
  - Children’s growing bodies absorb more lead.
  - Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.
- Women of childbearing age should know that lead is dangerous to a developing fetus.**
- Women with a high lead level in their system before or during pregnancy risk exposing the fetus to lead through the placenta during fetal development.

Health Effects of Lead

Lead affects the body in many ways. It is important to know that even exposure to low levels of lead can severely harm children.

In children, exposure to lead can cause:

- Nervous system and kidney damage
- Learning disabilities, attention-deficit disorder, and decreased intelligence
- Speech, language, and behavior problems
- Poor muscle coordination
- Decreased muscle and bone growth
- Hearing damage

While low-lead exposure is most common, exposure to high amounts of lead can have devastating effects on children, including seizures, unconsciousness, and in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults, too.

In adults, exposure to lead can cause:

- Harm to a developing fetus
- Increased chance of high blood pressure during pregnancy
- Fertility problems (in men and women)
- High blood pressure
- Digestive problems
- Nerve disorders
- Memory and concentration problems
- Muscle and joint pain

Check Your Family for Lead

Get your children and home tested if you think your home has lead.

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect lead. Blood lead tests are usually recommended for:

- Children at ages 1 and 2
- Children or other family members who have been exposed to high levels of lead
- Children who should be tested under your state or local health screening plan

Your doctor can explain what the test results mean and if more testing will be needed.

Where Lead-Based Paint Is Found

In general, the older your home or childcare facility, the more likely it has lead-based paint.<sup>1</sup>

Many homes, including private, federally-assisted, federally-owned housing, and childcare facilities built before 1978 have lead-based paint. In 1978, the federal government banned consumer uses of lead-containing paint.<sup>2</sup>

Learn how to determine if paint is lead-based paint on page 7.

Lead can be found:

- In homes and childcare facilities in the city, country, or suburbs,
- In private and public single-family homes and apartments,
- On surfaces inside and outside of the house, and
- In soil around a home. (Soil can pick up lead from exterior paint or other sources, such as past use of leaded gas in cars.)

Learn more about where lead is found at [epa.gov/lead](http://epa.gov/lead).

<sup>1</sup> "Lead-based paint" is currently defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter (mg/cm), or more than 0.5% by weight.

<sup>2</sup> "Lead-containing paint" is currently defined by the federal government as lead in new dried paint in excess of 90 parts per million (ppm) by weight.

Identifying Lead-Based Paint and Lead-Based Paint Hazards

Deteriorating lead-based paint (peeling, chipping, chalking, cracking, or damaged paint) is a hazard and needs immediate attention. Lead-based paint may also be a hazard when found on surfaces that children can chew or that get a lot of wear and tear, such as:

- On windows and window sills
- Doors and door frames
- Stairs, railings, banisters, and porches

Lead-based paint is usually not a hazard if it is in good condition and if it is not on an impact or friction surface like a window.

Lead dust can form when lead-based paint is scraped, sanded, or heated. Lead dust also forms when painted surfaces containing lead bump or rub together. Lead paint chips and dust can get on surfaces and objects that people touch. Settled lead dust can reenter the air when the home is vacuumed or swept, or when people walk through it. EPA currently defines the following levels of lead in dust as hazardous:

- 40 micrograms per square foot (µg/ft²) and higher for floors, including carpeted floors
- 250 µg/ft² and higher for interior window sills

Lead in soil can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. EPA currently defines the following levels of lead in soil as hazardous:

- 400 parts per million (ppm) and higher in play areas of bare soil
- 1,200 ppm (average) and higher in bare soil in the remainder of the yard

Remember, lead from paint chips—which you can see—and lead dust—which you may not be able to see—both can be hazards.

The only way to find out if paint, dust, or soil lead hazards exist is to test for them. The next page describes how to do this.

Checking Your Home for Lead

You can get your home tested for lead in several different ways:

- A lead-based paint **inspection** tells you if your home has lead-based paint and where it is located. It won't tell you whether your home currently has lead hazards. A trained and certified testing professional, called a lead-based paint inspector, will conduct a paint inspection using methods, such as:
  - Portable x-ray fluorescence (XRF) machine
  - Lab tests of paint samples
- A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards. A trained and certified testing professional, called a risk assessor, will:
  - Sample paint that is deteriorated on doors, windows, floors, stairs, and walls
  - Sample dust near painted surfaces and sample bare soil in the yard
  - Get lab tests of paint, dust, and soil samples
- A combination inspection and risk assessment tells you if your home has any lead-based paint and if your home has any lead hazards, and where both are located.

Be sure to read the report provided to you after your inspection or risk assessment is completed, and ask questions about anything you do not understand.

Checking Your Home for Lead, continued

- In preparing for renovation, repair, or painting work in a pre-1978 home, Lead-Safe Certified renovators (see page 12) may:
- Take paint chip samples to determine if lead-based paint is present in the area planned for renovation and send them to an EPA-recognized lead lab for analysis. In housing receiving federal assistance, the person collecting these samples must be a certified lead-based paint inspector or risk assessor
  - Use EPA-recognized tests kits to determine if lead-based paint is absent (but not in housing receiving federal assistance)
  - Presume that lead-based paint is present and use lead-safe work practices

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency for more information, visit [epa.gov/lead](http://epa.gov/lead), or call **1-800-424-LEAD (5323)** for a list of contacts in your area.<sup>3</sup>

What You Can Do Now to Protect Your Family

If you suspect that your house has lead-based paint hazards, you can take some immediate steps to reduce your family's risk:

- If you rent, notify your landlord of peeling or chipping paint.
- Keep painted surfaces clean and free of dust. Clean floors, window frames, window sills, and other surfaces weekly. Use a mop or sponge with warm water and a general all-purpose cleaner. (Remember: never mix ammonia and bleach products together because they can form a dangerous gas.)
- Carefully clean up paint chips immediately without creating dust.
- Thoroughly rinse sponges and mop heads often during cleaning of dirty or dusty areas, and again afterward.
- Wash your hands and your children's hands often, especially before they eat and before nap time and bed time.
- Keep play areas clean. Wash bottles, pacifiers, toys, and stuffed animals regularly.
- Keep children from chewing window sills or other painted surfaces, or eating soil.
- When renovating, repairing, or painting, hire only EPA- or state-approved Lead-Safe Certified renovation firms (see page 12).
- Clean or remove shoes before entering your home to avoid tracking in lead from soil.
- Make sure children eat nutritious, low-fat meals high in iron, and calcium, such as spinach and dairy products. Children with good diets absorb less lead.

Reducing Lead Hazards

Disturbing lead-based paint or removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.

- In addition to day-to-day cleaning and good nutrition, you can **temporarily** reduce lead-based paint hazards by taking actions, such as repairing damaged painted surfaces and planting grass to cover lead-contaminated soil. These actions are not permanent solutions and will need ongoing attention.
- You can minimize exposure to lead when renovating, repairing, or painting by hiring an EPA- or state-certified renovator who is trained in the use of lead-safe work practices. If you are a do-it-yourselfer, learn how to use lead-safe work practices in your home.
- To remove lead hazards permanently, you should hire a certified lead abatement contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials. Just painting over the hazard with regular paint is not permanent control.

- Always use a certified contractor who is trained to address lead hazards safely.**
- Hire a Lead-Safe Certified firm (see page 12) to perform renovation, repair, or painting (RRP) projects that disturb painted surfaces.
  - To correct lead hazards permanently, hire a certified lead abatement professional. This will ensure your contractor knows how to work safely and has the proper equipment to clean up thoroughly.

Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Reducing Lead Hazards, continued

If your home has had lead abatement work done or if the housing is receiving federal assistance, once the work is completed, dust cleanup activities must be conducted until clearance testing indicates that lead dust levels are below the following levels:

- 40 micrograms per square foot (µg/ft²) for floors, including carpeted floors
- 250 µg/ft² for interior windows sills
- 400 µg/ft² for window troughs

For help in locating certified lead abatement professionals in your area, call your state or local agency (see pages 14 and 15), or visit [epa.gov/lead](http://epa.gov/lead), or call 1-800-424-LEAD.

Renovating, Repairing or Painting a Home with Lead-Based Paint

If you hire a contractor to conduct renovation, repair, or painting (RRP) projects in your pre-1978 home or childcare facility (such as pre-school and kindergarten), your contractor must:

- Be a Lead-Safe Certified firm approved by EPA or an EPA-authorized state program
- Use qualified trained individuals (Lead-Safe Certified renovators) who follow specific lead-safe work practices to prevent lead contamination
- Provide a copy of EPA's lead hazard information document, *The Lead-Safe Certified Guide to Renovate Right*

RRP contractors working in pre-1978 homes and childcare facilities must follow lead-safe work practices that:

- **Contain the work area.** The area must be contained so that dust and debris do not escape from the work area. Warning signs must be put up, and plastic or other impermeable material and tape must be used.
- **Avoid renovation methods that generate large amounts of lead-contaminated dust.** Some methods generate so much lead-contaminated dust that their use is prohibited. They are:
  - Open-flame burning or torching
  - Sanding, grinding, planing, needle gunning, or blasting with power tools and equipment not equipped with a shroud and HEPA vacuum attachment
  - Using a heat gun at temperatures greater than 1100°F
- **Clean up thoroughly.** The work area should be cleaned up daily. When all the work is done, the area must be cleaned up using special cleaning methods.
- **Dispose of waste properly.** Collect and seal waste in a heavy duty bag or sheeting. When transported, ensure that waste is contained to prevent release of dust and debris.

To learn more about EPA's requirements for RRP projects, visit [epa.gov/getleadsafe](http://epa.gov/getleadsafe), or read *The Lead-Safe Certified Guide to Renovate Right*.

Other Sources of Lead

Lead in Drinking Water

The most common sources of lead in drinking water are lead pipes, faucets, and fixtures.

Lead pipes are more likely to be found in older cities and homes built before 1986.

You can't smell or taste lead in drinking water.

To find out for certain if you have lead in drinking water, have your water tested.

Remember older homes with a private well can also have plumbing materials that contain lead.

- Important Steps You Can Take to Reduce Lead in Drinking Water
- Use only cold water for drinking, cooking and making baby formula. Remember, boiling water does not remove lead from water.
  - Before drinking, flush your home's pipes by running the tap, taking a shower, doing laundry, or doing a load of dishes.
  - Regularly clean your faucet's screen (also known as an aerator).
  - If you use a filter certified to remove lead, don't forget to read the directions to learn when to change the cartridge. Using a filter after it has expired can make it less effective at removing lead.

Contact your water company to determine if the pipe that connects your home to the water main (called a service line) is made from lead. Your area's water company can also provide information about the lead levels in your system's drinking water.

For more information about lead in drinking water, please contact EPA's Safe Drinking Water Hotline at 1-800-426-4791. If you have other questions about lead poisoning prevention, call 1-800 424-LEAD.\*

Call your local health department or water company to find out about testing your water, or visit [epa.gov/safewater](http://epa.gov/safewater) for EPA's lead in drinking water information. Some states or utilities offer programs to pay for water testing for residents. Contact your state or local water company to learn more.

- **Lead smelters** or other industries that release lead into the air.
- **Your job.** If you work with lead, you could bring it home on your body or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture. Call your local health department for information about hobbies that may use lead.
- Old **toys** and **furniture** may have been painted with lead-containing paint. Older toys and other children's products may have parts that contain lead.<sup>4</sup>
- Food and liquids cooked or stored in **lead crystal** or **lead-glazed pottery or porcelain** may contain lead.
- Folk remedies, such as "**greta**" and "**azarcon**," used to treat an upset stomach.

<sup>4</sup> In 1978, the federal government banned toys, other children's products, and furniture with lead-containing paint. In 2008, the federal government banned lead in most

IMPORTANT!

Lead From Paint, Dust, and Soil in and Around Your Home Can Be Dangerous if Not Managed Properly

- Children under 6 years old are most at risk for lead poisoning in your home.
- Lead exposure can harm young children and babies even before they are born.
- Homes, schools, and child care facilities built before 1978 are likely to contain lead-based paint.
- Even children who seem healthy may have dangerous levels of lead in their bodies.
- Disturbing surfaces with lead-based paint or removing lead-based paint improperly can increase the danger to your family.
- People can get lead into their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.
- People have many options for reducing lead hazards. Generally, lead-based paint that is in good condition is not a hazard (see page 10).

# Bed Bugs

## A Guide for Rental-Housing Residents

*(Adapted with permission from the National Apartment Association)*

Bed bugs are wingless, flat, broadly oval-shaped insects, with a typical lifespan of 6 to 12 months. Capable of reaching the size of an apple seed at full growth, bed bugs are distinguishable by their reddish-brown color, although after feeding on the blood of humans and warm-blooded animals—their sole food source—the bugs assume a distinctly blood-red hue until digestion is complete.

### Bed bugs don't discriminate.

Bed bugs' increased presence across the United States in recent decades is due largely to a surge in international travel and trade. It's no surprise then that bed bugs have been found in some of the fanciest hotels and apartment buildings in some of the nation's most expensive neighborhoods.

Nonetheless, false claims that associate bed bugs presence with poor hygiene and uncleanness have caused rental-housing residents, out of shame, to avoid notifying owners of their presence. This only causes the bed bugs to spread.

While bed bugs are more attracted to clutter, they're certainly not discouraged by cleanliness. Bottom line: bed bugs know no social or economic bounds; claims to the contrary are false.

### Bed bugs don't transmit disease.

There exists no scientific evidence that bed bugs carry disease. In fact, federal agencies tasked with addressing pests of public-health concern, namely the U.S. Environmental Protection Agency and the Centers for Disease Control and Prevention, have refused to elevate bed bugs to the threat level posed by disease-carrying pests. Again, claims associating bed bugs with disease are false.

### Learn to identify bed bugs.

Bed bugs can often be found in, around, behind, under, or between:

- Bedding
- Bed frames
- Mattress seams
- Upholstered furniture, especially under cushions and along seams
- Wood furniture, especially along areas where drawers slide
- Curtains and draperies
- Window and door frames
- Ceiling and wall junctions
- Crown moldings
- Wall hangings and loose wallpaper
- Carpeting and walls (carpet can be pulled away from the wall and tack strip)
- Cracks and crevices in walls and floors
- Electronic devices, such as smoke and carbon-monoxide detectors

Because bed bugs leave some people with itchy welts similar to those made by fleas and mosquitoes, the

cause of welts like that often go misdiagnosed. One distinguishing sign is that bed-bug marks often appear in succession on exposed areas of the skin such as the face, neck, and arms. But sometimes a person has no visible reaction at all from direct contact with bed bugs.

While bed bugs typically act at night, they often leave signs of their presence through fecal markings of a red to dark-brown color, visible on or near beds. Blood stains also tend to appear when the bugs have been squashed, usually by an unsuspecting sleeping host. And because they shed, it's not uncommon to find the skin casts they leave behind.

### Prevent bed-bug encounters when traveling.

Because humans serve as bed bugs' main mode of transportation, it's especially important to be mindful of bed bugs when away from home. Experts attribute the spread of bed bugs across all regions of the United States largely to increases in travel and trade, both here and abroad. So travelers are encouraged to take a few minutes on arriving to thoroughly inspect their accommodations before unpacking. Because bed bugs can easily travel from one place to another, it's also a good practice to thoroughly inspect luggage and belongings for bed bugs before heading home.

### Know the bed-bug dos and don'ts.

- **Don't** bring used furniture from unknown sources into your dwelling. Countless bed-bug infestations have stemmed directly from bringing home second-hand and abandoned furniture. Unless you are absolutely sure that a piece of second-hand furniture is bed-bug-free, you should assume that a seemingly nice looking leather couch, for example, is sitting curbside waiting to be hauled off to the landfill because it's teeming with bed bugs.
- **Do** inspect rental furniture, including mattresses and couches, for the presence of bed bugs before moving it into your dwelling.
- **Do** address bed-bug sightings immediately. Rental-housing residents who suspect the presence of bed bugs in their unit must immediately notify the owner.
- **Don't** try to treat bed-bug infestations yourself. Health hazards associated with the misapplication of traditional and nontraditional chemical-based insecticides and pesticides poses too great a risk to you, your family and pets, and your neighbors.
- **Do** comply with eradication protocol. If the determination is made that your unit is indeed playing host to bed bugs, you must comply with the bed-bug-eradication protocol set forth by both your owner and their designated pest-management company.

LEASE ADDENDUM FOR  
REQUIREMENT OF RENTER’S OR LIABILITY INSURANCE

1. **Addendum.** This is an addendum to the TAA Lease Contract for Apt. No. 000 in the Lux Apartments

\_\_\_\_\_

\_\_\_\_\_

Apartments in Denton, Texas  
OR  
the house, duplex, etc. located at (street address)  
\_\_\_\_\_

in \_\_\_\_\_, Texas.

2. **Acknowledgment concerning insurance or damage waiver.** You understand that our property or liability insurance may not protect you, your guests or any occupants against loss or damage to personal property or belongings, or cover your liability for loss or damage caused by your actions or those of any occupant of the dwelling or guest. You understand that by not maintaining a renter’s or liability insurance policy, you may be liable to us and others for loss or damage caused by your actions or those of any occupant or guest in the dwelling. **You understand that paragraph 8 of the TAA Lease Contract requires you to maintain a renter's or liability insurance policy, which provides limits of liability to third parties in an amount not less than \$\_\_\_\_\_ per occurrence.** You agree to maintain, at your own expense, during the Term of the TAA Lease Contract and any subsequent renewal periods, a renter’s or liability insurance policy satisfying our requirements. **Liability insurance does not protect you against loss or damage to your personal property or belongings—only a renter’s insurance policy does this. It also does not protect you from losses caused by flooding. Flood insurance is different than renter's insurance. For more information regarding renter's or flood insurance, contact the Texas Department of Insurance.**

3. **Election of insurance coverage or damage waiver.** You agree to the following with respect to your renter’s or liability insurance (INITIAL ONE):

\_\_\_\_\_ You agree to purchase renter’s or liability insurance through the Program (*complete paragraph 5*);

\_\_\_\_\_ You agree to purchase renter’s or liability insurance from an insurance company of your choice. If you elect to purchase the required insurance from another company, you will provide us with written proof of

compliance with this addendum on or prior to the lease commencement date, and any time we request it. Your insurance company will be required to provide notice to us within 30 days of any cancellation, non-renewal, or other material change in your insurance policy. Please advise us if you are renting temporarily and have a homeowner's policy or if you have a guarantor on your lease with a current homeowner's policy, which may extend coverage to your rental unit. Please check with the homeowner's insurance provider and submit a certificate of coverage to us if the policy provides the coverage required under the TAA Lease Contract; or

\_\_\_\_\_ You agree to pay \$\_\_\_\_\_ per month to us for liability insurance that we agree meets the requirements of this addendum. You agree to pay us this amount in addition to all other obligations in the TAA Lease Contract. You also agree the cost of this liability insurance will be considered additional rent for purposes of the TAA Lease Contract. You understand that any liability insurance we purchase under this section will not cover you for loss or damage to your personal property--only a renter's insurance policy does this.

4. **Subrogation allowed.** You and we agree that subrogation is allowed by all parties in all instances and that this agreement supersedes the language concerning subrogation in paragraph 33 of the TAA Lease Contract.

5. **Insurance program.** You understand that we have informed you of any insurance program (the “Program”) that we may have made available to you that provides you with an opportunity to purchase renter’s insurance and/or liability insurance policies from \_\_\_\_\_.

**Be aware that this insurance company is not owned or operated by us, and we make no guarantees, representations, or promises concerning the insurance or services it provides. You acknowledge that we are doing so only for the purpose of informing you of an option available to you at your discretion. You are under no obligation to purchase renters’ insurance or liability insurance through the Program.**

# Apartment Lease Contract

This is a binding contract. Read carefully before signing.

Date of Lease Contract: June 1, 2018  
(when this Lease Contract is filled out)

## Moving In — General Information

1. **Parties.** This Lease Contract ("Lease") is between you, the resident(s) (*list all people signing the Lease*):  
John Doe  
George Doe

and us, the owner: Lux Apartments

(name of apartment community or title holder). You are renting Apartment No. 000, at 2516 Louise Street

(street address) in Denton (city), Texas 76201 (zip code) for use as a private residence only. The terms "you" and "your" refer to all residents listed above or, in the event of a sole resident's death, to someone authorized to act for the estate. The terms "we," "us," and "our" refer to the owner listed above and not to property managers or anyone else. **Neither we nor any of our representatives have made any oral promises, representations, or agreements. This Lease is the entire agreement between you and us.**

2. **Occupants.** The apartment will be occupied only by you and (*list all other occupants not signing the Lease*):  
2

—and no one else. Anyone not listed here cannot stay in the apartment for more than 3 days in one week without our prior written consent, and no more than twice that many days in any one month. **If the previous space isn't filled in, 2 days total per week will be the limit.**

3. **Lease Term.** The initial term of the Lease begins on the 1st day of June (month), 2018 (year), and ends at 11:59 p.m. the 31st day of May (month), 2019 (year). After that, this Lease will automatically renew month-to-month unless either party gives at least 45 days' written notice of termination or intent to move out as required by Par. 36. **If the number of days isn't filled in, notice of at least 30 days is required.**

4. **Security Deposit.** The total security deposit for all residents is \$ 300.00, due on or before the date this Lease is signed. This amount [*check one*]: ☐ does **or** ☒ does not include an animal deposit. Any animal deposit will be designated in an animal addendum. Security-deposit refund check and any deduction itemizations will be by [*check one*]:  
☒ one check jointly payable to all residents and mailed to any one resident we choose, **or**  
☐ one check payable to and mailed to \_\_\_\_\_

(specify name of one resident).

If neither option is checked here, the first option applies. See Par. 40 and 41 for security-deposit return information.

5. **Keys, Move-Out, and Furniture.** You'll be given 2 apartment key(s), 2 mailbox key(s), and 2 other access devices for Laundryroom. **Before moving out, you must give our representative advance written move-out notice as stated in Par. 36.** The move-out date in your notice [*check one*]: ☐ must be the last day of the month, **or** ☒ may be the exact day designated in your notice. If neither option is checked here, the second applies. Any resident, occupant, or spouse who, according to a remaining resident's affidavit, has permanently moved out or is under court order not to enter the apartment, is (at our option) no longer entitled to occupancy, keys, or other access devices, unless authorized by court order. Your apartment will be [*check one*]: ☐ furnished **or** ☒ unfurnished.

6. **Rent and Charges.** You will pay \$ 950.00 per month for rent, in advance and without demand [*check one*]:  
☐ at the onsite manager's office  
☒ through our online payment site  
☒ at erentpayment.com

Prorated rent of \$ \_\_\_\_\_ is due for the remainder of the [*check one*]: ☒ 1st month **or** ☐ 2nd month, on the \_\_\_\_\_ day of \_\_\_\_\_ (month), \_\_\_\_\_ (year).

**You must pay your rent on or before the 1st day of each month (due date). There is no grace period for the payment of rent, and you agree that not paying rent on or before the 1st of each month is a material breach of this Lease. Cash is not acceptable without our prior written permission. You cannot withhold or offset rent unless authorized by law.** We may, at our option, require at any time that you pay all rent and other sums in one single payment by any method we specify. If you don't pay all rent on or before the 2nd day of the month, you'll pay the reasonable initial late charge of \$ 50.00, plus the reasonable daily late charge of \$ 10.00 per day after that date until the amount due is paid in full. You agree that these late charges are a reasonable estimate of uncertain damages to us that are incapable of precise calculation and result from late payment of rent. Daily late charges cannot exceed 15 days for any single month's rent. We won't impose late charges until at least the third day of the month. You'll also pay a charge of \$ 50.00 for each returned check or rejected electronic payment, plus initial and daily late charges, until we receive acceptable payment. If you don't pay rent on time, you'll be in default and subject to all remedies under state law and this Lease.

7. **Utilities and Services.** We'll pay for the following items, if checked: ☐ gas ☒ water ☒ wastewater ☐ electricity ☒ trash/recycling ☐ cable/satellite ☒ master antenna ☐ Internet ☒ stormwater/drainage ☐ other \_\_\_\_\_.

You'll pay for all other utilities and services, related deposits, and any charges or fees on such utilities and services during your Lease term. See Par. 12 for other related provisions regarding utilities and services.

8. **Insurance.** **Our insurance doesn't cover the loss of or damage to your personal property.** You are [*check one*]:  
☐ required to buy and maintain renter's or liability insurance (see attached addendum), **or**  
☒ not required to buy renter's or liability insurance.

**If neither option is checked, insurance is not required but is still strongly recommended. Even if not required, we urge you to get your own insurance for losses due to theft, fire, water, pipe leaks, and similar occurrences.** Renter's insurance doesn't cover losses due to a flood. Information on renter's insurance is available from the Texas Department of Insurance.

9. **Special Provisions.** The following or attached special provisions and any addenda or written rules furnished to you at or before signing will become a part of this Lease and will supersede any conflicting provisions of this printed Lease form.

1. No Smoking; 2. Resident responsible for pest control. Owner pays for quarterly treatments; 4. Vehicles without parking passes will be towed at resident's expense; 5. Owner replaces HVAC filter the 1st week of every month; 6. Resident(s) must vacate apartment at end of lease by 1pm; 6. Resident must return apartment to its original leased condition; bikes in bike-racks only.

10. **Unlawful Early Move-Out And Reletting Charge.**

**10.1 Your Responsibility.** You'll be liable for a reletting charge of \$ 807.50 (not to exceed 85% of the highest monthly rent during the Lease term) if you: (A) fail to move in, or fail to give written move-out notice as required in Par. 23 or 36; (B) move out without paying rent in full for the entire Lease term or renewal period; (C) move out at our demand because of your default; or (D) are judicially evicted. **The reletting charge is not a cancellation fee and does not release you from your obligations under this Lease. See the next section.**

**10.2 Not a Release.** The reletting charge is neither a Lease cancellation nor a buyout fee. It is a liquidated amount covering only part of our damages—for our time, effort, and expense in finding and processing a replacement resident. These damages are uncertain and hard to ascertain—particularly those relating to inconvenience, paperwork, advertising, showing apartments, utilities for showing, checking prospects, overhead, marketing costs, and locator-service fees. You agree that the reletting charge is a reasonable estimate of our damages and that the charge is due whether or not our reletting attempts succeed. If no amount is stipulated, you must pay our actual reletting costs as far as they can be determined. The reletting charge doesn't release you from continued liability for future or past-due rent; charges for cleaning, repairing, repainting, or dealing with unreturned keys; or other sums due.

**11. Security Devices.**

**11.1 What We Provide.** *Texas Property Code secs. 92.151, 92.153, and 92.154 require, with some exceptions, that we provide at no cost to you when occupancy begins: (A) a window latch on each window; (B) a doorviewer (peephole) on each exterior door; (C) a pin lock on each sliding door; (D) either a door-handle latch or a security bar on each sliding door; (E) a keyless bolting device (deadbolt) on each exterior door; and (F) either a keyed doorknob lock or a keyed deadbolt lock on one entry door. Keyed locks will be rekeyed after the prior resident moves out. The rekeying will be done either before you move in or within 7 days after you move in, as required by law. If we fail to install or rekey security devices as required by law, you have the right to do so and deduct the reasonable cost from your next rent payment under Texas Property Code sec. 92.165(1). We may deactivate or not install keyless bolting devices on your doors if (A) you or an occupant in the dwelling is over 55 or disabled, and (B) the requirements of Texas Property Code sec. 92.153(e) or (f) are satisfied.*

**11.2 Who Pays What.** We'll pay for missing security devices that are required by law. **You'll pay for: (A) rekeying that you request (unless we failed to rekey after the previous resident moved out); and (B) repairs or replacements because of misuse or damage by you or your family, your occupants, or your guests.** You must pay immediately after the work is done unless state law authorizes advance payment. You must also pay in advance for any additional or changed security devices you request.

**12. Other Utilities and Services.** Television channels that are provided may be changed during the Lease term if the change applies to all residents. You may use utilities only for normal household purposes and must not waste them. If your electricity is interrupted, you must use only battery-operated lighting (no flames). You must not allow any utilities (other than cable or Internet) to be cut off or switched for any reason—including disconnection for not paying your bills—until the Lease term or renewal period ends. If a utility is submetered or prorated by an allocation formula, we'll attach an addendum to this Lease in compliance with state-agency rules. If a utility is individually metered, it must be connected in your name and you must notify the provider of your move-out date so the meter can be timely read. If you delay getting it turned on in your name by the Lease's start date or cause it to be transferred back into our name before you surrender or abandon the apartment, you'll be liable for a \$\_\_\_\_\_ charge (not to exceed \$50 per billing period), plus the actual or estimated cost of the utilities used while the utility should have been billed to you. If you're in an area open to competition and your apartment is individually metered, you may choose or change your retail electric provider at any time. If you qualify, your provider will be the same as ours, unless you choose a different provider. If you do choose or change your provider, you must give us written notice. You must pay all applicable provider fees, including any fees to change service back into our name after you move out.

**Special Provisions and "What If" Clauses**

**13. Damages and Reimbursement.**

**13.1 Damage in the Apartment Community.** You must promptly pay or reimburse us for loss, damage, consequential damages, government fines or charges, or cost of repairs or service in the apartment community because of a Lease or rules violation; improper use; negligence; other conduct by you, your invitees, your occupants, or your guests; or any other cause not due to our negligence or fault as allowed by law, except for damages by acts of God to the extent they couldn't be mitigated by your action or inaction.

**13.2 Indemnification by You.** *You'll defend, indemnify and hold us harmless from all liability arising from your conduct or that of your invitees, your occupants, your guests, or our representatives who at your request perform services not contemplated in this Lease.*

**13.3 Damage and Wastewater Stoppage.** *Unless damage or wastewater stoppage is due to our negligence, we're not liable for—and you must pay for—repairs, replacements, and damage of the following kind if occurring during the Lease term or renewal period: (A) damage to doors, windows, or screens; (B) damage from windows or doors left open; and (C) damage from wastewater stoppages caused by improper objects in lines exclusively serving your apartment.*

**13.4 No Waiver.** We may require payment at any time, including advance payment to repair damage that you are liable for. Delay in demanding sums you owe is not a waiver.

**14. Contractual Lien and Property Left in Apartment.**

**14.1 Lien Against Your Property for Rent.** *All property in the apartment (unless exempt under Texas Property Code sec. 54.042) is subject to a contractual lien to secure payment of delinquent rent (except as prohibited by Texas Government Code sec. 2306.6738, for owners supported by housing-tax-credit allocations).* For this purpose, "apartment" excludes common areas but includes the interior living areas and exterior patios, balconies, attached garages, and any storerooms for your exclusive use.

**14.2 Removal After We Exercise Lien for Rent.** *If your rent is delinquent, our representative may peacefully enter the apartment, and remove and/or store all property subject to lien.* All property in the apartment is presumed to be yours unless proved otherwise. After the property is removed, a written notice of entry must be left in a conspicuous place in the apartment—including a list of items removed, the amount of delinquent rent due, and the name, address, and phone number of the person to contact. The notice must also state that the property will be promptly returned when the delinquent rent is fully paid.

**14.3 Removal After Surrender, Abandonment, or Eviction.** We, or law officers, may remove or store all property remaining in the apartment or in common areas (including any vehicles you or any occupant or guest owns or uses) if you're judicially evicted or if you surrender or abandon the apartment (see definitions in Par. 41).

**14.4 Storage.**

- (A) No duty.** We'll store property removed under a contractual lien. We may—but we have no duty to—store property removed after judicial eviction, surrender, or abandonment of the apartment.
- (B) No liability.** We're not liable for casualty, loss, damage, or theft, except for property removed under a contractual lien.
- (C) Charges you pay.** You must pay reasonable charges for our packing, removing, storing, and selling of any property.
- (D) Our lien.** We have a lien on all property removed and stored after surrender, abandonment, or judicial eviction for all sums you owe, with one exception: our lien on property listed under Texas Property Code sec. 54.042 is limited to charges for packing, removing, and storing.

**14.5 Redemption.**

- (A) Property on which we have a lien.** If we've seized and stored property under a contractual lien for rent as authorized by law, you may redeem the property by paying all delinquent rent due at the time of seizure. But if notice of sale (see Par. 14.6(C)) is given before you seek redemption, you may redeem only by paying the delinquent rent plus our reasonable charges for packing, removing, and storing.
- (B) Property removed after surrender, abandonment, or judicial eviction.** If we've removed and stored property after surrender, abandonment, or judicial eviction, you may redeem only by paying all sums you owe, including rent, late charges, reletting charges, storage charges, damages, etc.
- (C) Place and payment for return.** We may return redeemed property at the place of storage, the management office, or the apartment (at our option). We may require payment by cash, money order, or certified check.

**14.6 Disposition or Sale.**

- (A) Our options.** Except for animals, we may throw away or give to a charitable organization all personal property that is:
  - (1) left in the apartment after surrender, abandonment or death of a sole resident; **or**

(2) left outside more than 1 hour after writ of possession is executed, following judicial eviction.

**(B) Animals.** An animal removed after surrender, abandonment, or eviction may be kenneled or turned over to a local authority, humane society, or rescue organization.

**(C) Sale of property.** Property not thrown away or given to charity may be disposed of only by sale, which must be held no sooner than 30 days after written notice of the date, time, and place of sale is sent by both regular mail and certified mail (return receipt requested) to your last known address. The notice must itemize the amounts you owe and provide the name, address, and phone number of the person to contact about the sale, the amount owed, and your right to redeem the property. The sale may be public or private; is subject to any third-party ownership or lien claims; must be to the highest cash bidder; and may be in bulk, in batches, or item-by-item. If the proceeds from the sale are more than you owe, the excess amount must be mailed to you at your last known address within 30 days after sale.

**15. Failing to Pay First Month's Rent.** If you don't pay the first month's rent when or before the Lease begins, all future rent for the Lease term will be automatically accelerated without notice and become immediately due. We also may end your right of occupancy and recover damages, future rent, reletting charges, attorney's fees, court costs, and other lawful charges. Our rights, remedies and duties under Par. 10 and 32 apply to acceleration under this paragraph.

**16. Rent Increases and Lease Changes.** No rent increases or Lease changes are allowed before the initial Lease term ends, except for those allowed by special provisions in Par. 9, by a written addendum or amendment signed by you and us, or by reasonable changes of apartment rules allowed under Par. 19. If, at least 5 days before the advance-notice deadline referred to in Par. 3, we give you written notice of rent increases or Lease changes that become effective when the Lease term or renewal period ends, this Lease will automatically continue month-to-month with the increased rent or Lease changes. The new modified Lease will begin on the date stated in the notice (without needing your signature) unless you give us written move-out notice under Par. 36. The written move-out notice under Par. 36 applies only to the end of the current Lease or renewal period.

## 17. Delay of Occupancy.

**17.1 Lease Remains In Force.** We are not responsible for any delay of your occupancy caused by construction, repairs, cleaning, or a previous resident's holding over. This Lease will remain in force subject to:

- (A) abatement of rent on a daily basis during delay, **and**
- (B) your right to terminate the lease in writing as set forth below.

**17.2 Your Termination Rights.** Termination notice must be in writing. After termination under 17.1(B), you are entitled only to refund of any deposit(s) and any rent you paid. Rent abatement or Lease termination does not apply if the delay is for cleaning or repairs that don't prevent you from moving into the apartment.

**17.3 Notice of Delay.** If there is a delay of your occupancy and we haven't given notice of delay as set forth immediately below, you may terminate this Lease up to the date when the apartment is ready for occupancy, but not later.

- (a) If we give written notice to any of you or your occupants when or after the Lease begins—and the notice states that occupancy has been delayed because of construction or a previous resident's holding over, and that the apartment will be ready on a specific date—you may terminate the Lease within 3 days after you receive written notice, but no later.
- (b) If we give any of you written notice before the date the Lease begins and the notice states that a construction delay is expected and that the apartment will be ready for you to occupy on a specific date, you may terminate the Lease within 7 days after receiving written notice, but no later. The readiness date stated in the written notice becomes the new effective Lease date for all purposes. This new date can't be moved to an earlier date unless we and you agree in writing.

**18. Disclosure of Information.** If someone requests information about you or your rental history for law-enforcement, governmental, or business purposes, we may provide it. At our request, any utility provider may give us information about pending or actual connections or disconnections of utility service to your apartment.

## While You're Living in the Apartment

### 19. Community Policies and Rules.

**19.1 Generally.** Our rules are considered part of this Lease. You, your occupants, and your guests must comply with all

written apartment rules and community policies, including instructions for care of our property. We may regulate: (A) the use of patios, balconies, and porches; (B) the conduct of furniture movers and delivery persons; and (C) activities in common areas. We may make reasonable changes to written rules, and those rules can become effective immediately if the rules are distributed and applicable to all units in the apartment community and do not change the dollar amounts on pages 1 or 2 of this Lease.

**19.2 Some Specifics.** Your apartment and other areas reserved for your private use must be kept clean. Trash must be disposed of at least weekly in appropriate receptacles in accordance with local ordinances. Passageways may be used only for entry or exit. You will use balconies with care and will not overload them. Any swimming pools, saunas, spas, tanning beds, exercise rooms, storerooms, laundry rooms, and similar areas must be used with care and in accordance with apartment rules and posted signs.

**19.3 Limitations on Conduct.** Glass containers are prohibited in or near pools and all other common areas. Within the apartment community, you, your occupants, and your guests must not use candles or kerosene lamps or heaters without our prior written approval, or cook on balconies or outside. You, your occupants, and your guests must not solicit business or contributions. Conducting any kind of business (including child-care services) in your apartment or in the apartment community is prohibited—except that any lawful business conducted “at home” by computer, mail, or telephone is permissible if customers, clients, patients, or other business associates do not come to your apartment for business purposes.

**19.4 Exclusion of Persons.** We may exclude from the apartment community any guests or others who, in our judgment, have been violating the law, violating this Lease or our rules, or disturbing other residents, neighbors, visitors, or owner representatives. We may also exclude from any outside area or common area anyone who refuses to show photo identification or refuses to identify himself or herself as a resident, an occupant, or a guest of a specific resident in the community.

**19.5 Notice of Convictions and Registration.** You must notify us within 15 days if you or any of your occupants are convicted of (A) any felony, or (B) any misdemeanor involving a controlled substance, violence to another person, or destruction of property. You must also notify us within 15 days if you or any of your occupants register as a sex offender. Informing us of a criminal conviction or sex-offender registration doesn't waive any rights we may have against you.

**20. Prohibited Conduct.** You, your occupants, and your guests may not engage in the following activities:

- (a) criminal conduct, regardless of whether or where arrest or conviction occurs, including but not limited to: manufacturing, delivering, or possessing a controlled substance or drug paraphernalia; engaging in or threatening violence; possessing a weapon prohibited by law; discharging a firearm in the apartment community; or, except when allowed by law, displaying or possessing a gun, knife, or other weapon in the common area, or in a way that may alarm others;
- (b) behaving in a loud or obnoxious manner;
- (c) disturbing or threatening the rights, comfort, health, safety, or convenience of others (including our agents and employees) in or near the apartment community;
- (d) disrupting our business operations;
- (e) storing anything in closets containing gas appliances;
- (f) tampering with utilities or telecommunications;
- (g) bringing hazardous materials into the apartment community;
- (h) using windows for entry or exit;
- (i) heating the apartment with a gas-operated cooking stove or oven; **or**
- (j) making bad-faith or false allegations against us or our agents to others.

**21. Parking.** We may regulate the time, manner, and place of parking all cars, trucks, motorcycles, bicycles, boats, trailers, and recreational vehicles. Motorcycles or motorized bikes must not be parked inside an apartment, on sidewalks, under stairwells, or in handicapped-parking areas. We may have any unauthorized or illegally parked vehicles towed according to state law at the owner or operator's expense at any time if the vehicle:

- (a) has a flat tire or is otherwise inoperable;
- (b) is on jacks, on blocks, or has a wheel missing;
- (c) takes up more than one parking space;
- (d) belongs to a resident or occupant who has surrendered or abandoned the apartment;
- (e) is in a handicapped space without the legally required handicapped insignia;

- (f) is in a space marked for office visitors, managers, or staff;
- (g) blocks another vehicle from exiting;
- (h) is in a fire lane or designated “no parking” area;
- (i) is in a space marked for another resident or apartment;
- (j) is on the grass, sidewalk, or patio;
- (k) blocks a garbage truck from access to a dumpster;
- (l) has no current license or registration, and we have given you at least 10 days’ notice that the vehicle will be towed if not removed; **or**
- (m) is not moved to allow parking lot maintenance.

## 22. Release of Resident.

**22.1 Generally.** *You may have the right under Texas law to terminate the Lease early in certain situations involving family violence, certain sexual offenses, or stalking.* Otherwise, unless you’re entitled to terminate this Lease under Par. 9, 17, 23, 31, or 36, you won’t be released from this Lease for any reason—including voluntary or involuntary school withdrawal or transfer, voluntary or involuntary job transfer, marriage, separation, divorce, reconciliation, loss of coresidents, loss of employment, bad health, property purchase, or death.

**22.2 Death of Sole Resident.** If you are the sole resident and die during the Lease term, an authorized representative of your estate may terminate the Lease without penalty by giving at least 30 days’ written notice. Your estate will be liable for your Lease obligations until the latter of: (A) the termination date or (B) removal of all possessions in the apartment. Your estate will also be liable for all charges and damages until the apartment is vacated, and any removal or storage costs.

## 23. Military Personnel.

**23.1 Termination Rights.** *You may have the right under Texas law to terminate the Lease in certain situations involving military deployment or transfer.* You may terminate the Lease if you enlist, are drafted into, or are commissioned in the U.S. Armed Forces. You also may terminate the Lease if:

- (a) you are (1) a member of the U.S. Armed Forces or Reserves on active duty, or (2) a member of the National Guard called to active duty for more than 30 days in response to a national emergency declared by the President; **and**
- (b) you (1) receive orders for a permanent change of station, (2) receive orders to deploy with a military unit or as an individual in support of a military operation for 90 days or more, or (3) are relieved or released from active duty.

**23.2 How to Terminate Under This Par. 23.** You must furnish us a copy of your military orders, such as permanent-change-of-station orders, call-up orders, or deployment orders (or letter equivalent). Military permission for base housing doesn’t constitute a permanent-change-of-station order. You must deliver to us your written termination notice, after which the Lease will be terminated under this military clause 30 days after the date your next rental payment is due. After your move-out, we’ll return your security deposit, less lawful deductions.

**23.3 Who May Be Released.** For the purposes of this Lease, orders described in (b) under Par. 23.1 above will release only the resident who qualifies under both (a) and (b) above and receives the orders during the Lease term, plus that resident’s spouse or legal dependents living in the resident’s household. A coresident who is not the spouse or dependent of a military resident cannot terminate under this military clause.

**23.4 Your Representations.** Unless you state otherwise in Par. 9, you represent when signing this Lease that:

- (a) you do not already have deployment or change-of-station orders;
- (b) you will not be retiring from the military during the Lease term; **and**
- (c) the term of your enlistment or obligation will not end before the Lease term ends.

You must notify us immediately if you are called to active duty or receive deployment or permanent-change-of-station orders.

**23.5 Damages for False Representations.** Liquidated damages for making a false representation of the above will be the amount of unpaid rent for the remainder of the Lease term when and if you move out, minus rents from others received in mitigation under Par. 32.6.

## 24. Resident Safety and Loss.

**24.1 Disclaimer.** *We disclaim any express or implied warranties of security.* We care about your safety and that of other occupants and guests. You agree to make every effort to follow any Security Guidelines Addendum attached

to this Lease. **No security system is failsafe. Even the best system can’t prevent crime. Always act as if security systems don’t exist since they are subject to malfunction, tampering, and human error. The best safety measures are the ones you take as a matter of common sense and habit.**

**24.2 Your Duty of Due Care.** You, your occupants, and your guests must exercise due care for your own and others’ safety and security, especially in using smoke alarms and other detection devices, door and window locks, and other safety or security devices. Window screens are not for security or to keep people from falling out of windows.

## 24.3 Alarm and Detection Devices.

**(A) What we’ll do.** We’ll furnish smoke alarms or other detection devices required by law or city ordinance. We may install additional detectors not so required. We’ll test them and provide working batteries when you first take possession of your apartment. Upon request, we’ll provide, as required by law, a smoke alarm capable of alerting a person with a hearing-impairment disability.

**(B) Your duties.** You must pay for and replace batteries as needed, unless the law provides otherwise. We may replace dead or missing batteries at your expense, without prior notice to you. You must immediately report alarm or detector malfunctions to us. Neither you nor others may disable alarms or detectors. **If you damage or disable the smoke alarm, or remove a battery without replacing it with a working battery, you may be liable to us under Texas Property Code sec. 92.2611 for \$100 plus one month’s rent, actual damages, and attorney’s fees.** You’ll be liable to us and others if you fail to report malfunctions, or fail to report any loss, damage, or fines resulting from fire, smoke, or water.

**24.4 Loss.** Unless otherwise required by law, we’re not liable to any resident, guest, or occupant for personal injury or damage, loss of personal property, or loss of business or personal income, from any cause, including fire, smoke, rain, flood, water leaks, hail, ice, snow, lightning, wind, explosions, interruption of utilities, pipe leaks, theft, vandalism, and negligent or intentional acts of residents, occupants, or guests. We have no duty to remove any ice, sleet, or snow but may remove any amount with or without notice. Unless we instruct otherwise, during freezing weather you must for 24 hours a day: (A) keep the apartment heated to at least 50° Fahrenheit, (B) keep cabinet and closet doors open, and (C) drip hot- and cold-water faucets. You’ll be liable for any damage to our and others’ property caused by broken water pipes due to your violating these requirements.

**24.5 Crime or Emergency.** Immediately dial 911 or call local medical-emergency, fire, or police personnel in case of accident, fire, smoke, suspected criminal activity, or any other emergency involving imminent harm. You should then contact our representative. None of our security measures are an express or implied warranty of security—or a guarantee against crime or of reduced risk of crime. Unless otherwise provided by law, we’re not liable to you, your occupants, or your guests for injury, damage, or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism, or other crimes. Even if previously provided, we’re not obliged to furnish security personnel, patrols, lighting, gates, fences, or other forms of security unless required by law. We’re not responsible for obtaining criminal-history checks on any residents, occupants, guests, or contractors in the apartment community. If you, your occupants, or your guests are affected by a crime, you must make a written report to the appropriate local law-enforcement agency and to our representative. You must also give us the law-enforcement agency’s incident-report number upon request.

## 25. Condition of the Premises and Alterations.

**25.1 As-Is. We disclaim all implied warranties.** You accept the apartment, fixtures, and furniture as is, except for conditions materially affecting the health or safety of ordinary persons. You’ll be given an Inventory & Condition form on or before move-in. Within 48 hours after move-in, you must note on the form all defects or damage, sign the form, and return it to us. Otherwise, everything will be considered to be in a clean, safe, and good working condition.

**25.2 Standards and Improvements.** You must use customary diligence in maintaining the apartment and not damaging or littering the common areas. Unless authorized by law or by us in writing, you must not do any repairs, painting, wallpapering, carpeting, electrical changes, or otherwise alter our property. No holes or stickers are allowed inside or outside the apartment. Unless our rules state otherwise, we’ll permit a reasonable number of small nail holes for hanging pictures on sheetrock walls and grooves of wood-paneled walls. No

water furniture, washing machines, extra phone or television outlets, alarm systems, or lock changes, additions, or rekeying is permitted unless allowed by law or we've consented in writing. You may install a satellite dish or antenna, but only if you sign our satellite-dish or antenna lease addendum, which complies with reasonable restrictions allowed by federal law. You must not alter, damage, or remove our property, including alarm systems, detection devices, furniture, telephone and television wiring, screens, locks, and security devices. When you move in, we'll supply light bulbs for fixtures we furnish, including exterior fixtures operated from inside the apartment; after that, you'll replace them at your expense with bulbs of the same type and wattage. Your improvements to the apartment (made with or without our consent) become ours unless we agree otherwise in writing.

**25.3 Fair Housing.** In accordance with fair-housing laws, we'll make reasonable accommodations to our rules, policies, practices, or services. We'll allow reasonable modifications under these laws to give disabled persons access to and use of this apartment community. We may require you to sign an addendum regarding the implementation of any accommodations or modifications, as well as your restoration obligations, if any.

**26. Requests, Repairs, and Malfunctions.**

**26.1 Written Requests Required.** *If you or any occupant needs to send a notice or request—for example, for repairs, installations, services, ownership disclosure, or security-related matters—it must be written, signed, and delivered to our designated representative in accordance with our policies* (except in case of fire, smoke, gas, explosion, overflowing sewage, uncontrollable running water, electrical shorts, crime in progress, or fair-housing accommodation or modification). Our written notes on your oral request do not constitute a written request from you. Our complying with or responding to any oral request regarding security or any other matter doesn't waive the strict requirement for written notices under this Lease.

**26.2 Required Notifications.** You must promptly notify us in writing of water leaks, mold, electrical problems, malfunctioning lights, broken or missing locks or latches, and other conditions that pose a hazard to property, health, or safety.

**26.3 Utilities.** We may change or install utility lines or equipment serving the apartment if the work is done reasonably without substantially increasing your utility costs. We may turn off equipment and interrupt utilities as needed to avoid property damage or to perform work. If utilities malfunction or are damaged by fire, water, or similar cause, you must notify our representative immediately.

**26.4 Casualty Loss and Equipment Repair.** We'll act with customary diligence to make repairs and reconnections, taking into consideration when casualty-insurance proceeds are received. Unless required by statute after a casualty loss, or during equipment repair, your rent will not abate in whole or in part. Air-conditioning problems are normally not emergencies. If air-conditioning or other equipment malfunctions, you must notify us as soon as possible on a business day.

**26.5 Our Right to Terminate.** If we believe that fire or catastrophic damage is substantial, or that performance of needed repairs poses a danger to you, we may terminate this Lease by giving you at least 5 days' written notice. We also have the right to terminate this Lease during the Lease term by giving you at least 30 days' written notice of termination if we are demolishing your apartment or closing it and it will no longer be used for residential purposes for at least 6 months. If the Lease is so terminated, we'll refund prorated rent and all deposits, less lawful deductions. We may also remove and dispose of personal property if we believe it causes a health or safety hazard.

**27. Animals.**

**27.1 No Animals Without Consent.** *No animals (including mammals, reptiles, birds, fish, rodents, amphibians, arachnids, and insects) are allowed, even temporarily, anywhere in the apartment or apartment community unless we've given written permission.* If we allow an animal, you must sign a separate animal addendum and, except as set forth in the addendum, pay an animal deposit. An animal deposit is considered a general security deposit. The animal addendum includes information governing animals, including assistance or service animals. We'll authorize an assistance or support animal for a disabled person without requiring an animal deposit. We may require verification of your disability and the need for such an animal. You must not feed stray or wild animals.

**27.2 Violations of Animal Policies.**

**(A) Charges for violations.** If you or any guest or occupant violates animal restrictions (with or without your knowledge), you'll be subject to charges, damages, eviction, and other remedies provided in this Lease. If you violate the animal restrictions or other animal

rules, you'll pay an initial charge of \$ **250.00** per animal (not to exceed \$100 per animal) and a daily charge of \$ **10.00** per animal (not to exceed \$10 per day per animal) from the date the animal was brought into your apartment until it is removed. If an animal has been in the apartment at any time during your term of occupancy (with or without our consent), you must pay for all cleaning and repair costs, including defleaing, deodorizing, and shampooing.

**(B) Removal and return of animal.** We may remove an unauthorized animal by (1) leaving, in a conspicuous place in the apartment, a written notice of our intent to remove the animal within 24 hours; and (2) following the procedures of Par. 28. We may keep or kennel the animal, or turn it over to a humane society, local authority or rescue organization. When keeping or kenneling an animal, we won't be liable for loss, harm, sickness, or death of the animal unless due to our negligence. You must pay for the animal's reasonable care and kenneling charges. We'll return the animal to you upon request if it has not already been turned over to a humane society, local authority or rescue organization.

**28. When We May Enter.** If you or any guest or occupant is present, then repairers, servicers, contractors, government representatives, lenders, appraisers, prospective residents or buyers, insurance agents, persons authorized to enter under your rental application, or our representatives may peacefully enter the apartment at reasonable times for reasonable business purposes. If nobody is in the apartment, then any such person may enter peacefully and at reasonable times by duplicate or master key (or by breaking a window or other means when necessary) for reasonable business purposes if written notice of the entry is left in a conspicuous place in the apartment immediately after the entry. Law officers with a search or arrest warrant or those in hot pursuit may be allowed to enter. We are under no obligation to enter only when you are present, and we may, but are under no obligation to, give prior notice or make appointments.

**29. Multiple Residents.** Each resident is jointly and severally liable for all Lease obligations. If you or any guest or occupant violates the Lease or rules, all residents are considered to have violated the Lease. Our requests and notices (including sale notices) to any resident constitute notice to all residents and occupants. Notices and requests from any resident or occupant constitute notice from all residents. Your notice of Lease termination may be given only by a resident. In eviction suits, each resident is considered the agent of all other residents in the apartment for service of process. Any resident who defaults under this Lease will indemnify the nondefaulting residents and their guarantors.

**Replacements**

**30. Replacements and Subletting.**

**30.1 When Allowed.** Replacing a resident, subletting, licensing or assigning a resident's rights is allowed **only when we consent in writing**. If a departing or remaining resident finds a replacement resident acceptable to us before moving out and we expressly consent to the replacement, subletting, or assignment, then:

- (a) a reletting charge will not be due;
- (b) a reasonable administrative (paperwork) fee will be due, and a rekeying fee will be due if rekeying is requested or required; **and**
- (c) the departing and remaining residents will remain liable for all Lease obligations for the rest of the original Lease term.

**30.2 Procedures for Replacement.** If we approve a replacement resident, then, at our option: (A) the replacement resident must sign this Lease with or without an increase in the total security deposit; or (B) the remaining and replacement residents must sign an entirely new Lease. Unless we agree otherwise in writing, the departing resident's security deposit will automatically transfer to the replacement resident as of the date we approve. The departing resident will no longer have a right to occupancy or to a security-deposit refund, but will remain liable for the remainder of the original Lease term unless we agree otherwise in writing—even if a new Lease is signed.

**30.3 Rental Prohibited.** You agree that you won't rent, or offer to rent or license all or any part of your apartment to anyone else unless otherwise agreed to by us in writing. You agree that you won't accept anything of value from anyone else for the use of any part of your apartment. You agree not to list any part of your apartment on any lodging rental website or with any person or service that advertises dwellings for rent.

# Responsibilities of Owner and Resident

## 31. Our Responsibilities.

- 31.1 Generally.** We'll act with customary diligence to:
- (a) keep common areas reasonably clean, subject to Par. 25;
  - (b) maintain fixtures, hot water, heating, and air-conditioning equipment;
  - (c) substantially comply with all applicable laws regarding safety, sanitation, and fair housing; **and**
  - (d) make all reasonable repairs, subject to your obligation to pay for damages for which you're liable.
- The time, manner, method and means of performing maintenance and repairs, including whether or which vendors to use, are within our sole discretion.

- 31.2 Your Remedies.** *If we violate any of the above, you may possibly terminate this Lease and exercise other remedies under Texas Property Code Sec. 92.056 by following this procedure:*
- (a) all rent must be current, and you must make a written request for repair or remedy of the condition—after which we'll have a reasonable time for repair or remedy;
  - (b) if we fail to do so, you must make a second written request for the repair or remedy (to make sure that there has been no miscommunication between us)—after which we'll have a reasonable time to repair or remedy; **and**
  - (c) if the repair or remedy still hasn't been accomplished within that reasonable time period, you may immediately terminate this Lease by giving us a final written notice.
- You also may exercise other statutory remedies, including those under Texas Property Code sec. 92.0561.**

- 31.3 Request by Mail.** Instead of giving the two written requests referred to above, you may give us one request by certified mail, return receipt requested, by registered mail, or by any trackable mail or delivery method through the postal service or a private delivery service—after which we'll have a reasonable time to repair or remedy. "Reasonable time" accounts for the nature of the problem and the reasonable availability of materials, labor, and utilities. Your rent must be current when you make any request. We'll refund security deposits and prorated rent as required by law.

## 32. Default by Resident.

- 32.1 Acts of Default.** You'll be in default if: (A) you don't timely pay rent or other amounts you owe; (B) you or any guest or occupant violates this Lease, apartment rules, or fire, safety, health, or criminal laws, regardless of whether or where arrest or conviction occurs; (C) you abandon the apartment; (D) you give incorrect or false answers in a rental application; (E) you or any occupant is arrested, charged, detained, convicted, or given deferred adjudication or pretrial diversion for (1) an offense involving actual or potential physical harm to a person, or involving the manufacture or delivery of a controlled substance, marijuana, or drug paraphernalia as defined in the Texas Controlled Substances Act, or (2) any sex-related crime, including a misdemeanor; (F) any illegal drugs or paraphernalia are found in your apartment; or (G) you or any occupant, in bad faith, makes an invalid habitability complaint to an official or employee of a utility company or the government.
- 32.2 Eviction.** *If you default or hold over, we may end your right of occupancy by giving you at least a 24-hour written notice to vacate.* Notice may be given by: (A) regular mail; (B) certified mail, return receipt requested; (C) personal delivery to any resident; (D) personal delivery at the apartment to any occupant over 16 years old; (E) affixing the notice to the inside of the apartment's main entry door; or (F) securely affixing the notice to the outside of the apartment's main entry door as allowed by law. Notice by mail under (A) or (B) will be considered delivered on the earlier of actual delivery, or 3 days after the notice is deposited in the U.S. Postal Service with postage. Termination of your possession rights or a later reletting doesn't release you from liability for future rent or other Lease obligations. **After giving notice to vacate or filing an eviction suit, we may still accept rent or other sums due;** the filing or acceptance doesn't waive or diminish our right of eviction or any other contractual or statutory right. Accepting money at any time doesn't waive our right to damages, to past or future rent or other sums, or to our continuing with eviction proceedings. **In an eviction, rent is owed for the full rental period and will not be prorated.**
- 32.3 Acceleration.** Unless we elect not to accelerate rent, all monthly rent for the rest of the Lease term or renewal period will be accelerated automatically without notice or demand (before or after acceleration) and will be immediately due and delinquent if, without our written consent: (A) you move out, remove property in preparing to move

out, or you or any occupant gives oral or written notice of intent to move out before the Lease term or renewal period ends; and (B) you haven't paid all rent for the entire Lease term or renewal period. Such conduct is considered a default for which we need not give you notice. Remaining rent will also be accelerated if you're judicially evicted or move out when we demand because you've defaulted. Acceleration is subject to our mitigation obligations below.

- 32.4 Holdover.** You or any occupant, invitee, or guest must not hold over beyond the date contained in your move-out notice or our notice to vacate (or beyond a different move-out date agreed to by the parties in writing). If a holdover occurs, then (A) holdover rent is due in advance on a daily basis and may become delinquent without notice or demand; (B) rent for the holdover period will be increased by 25% over the then-existing rent, without notice; (C) you'll be liable to us (subject to our mitigation duties) for all rent for the full term of the previously signed Lease of a new resident who can't occupy because of the holdover; and (D) at our option, we may extend the Lease term—for up to one month from the date of notice of Lease extension—by delivering written notice to you or your apartment while you continue to hold over.

- 32.5 Other Remedies.** We may report unpaid amounts to credit agencies as allowed by law. If we or our debt collector tries to collect any money you owe us, you agree that we or the debt collector may contact you by any legal means, including texting, calling your cell phone, and using an automated dialer. If you default, you will pay us, in addition to other sums due, any amounts stated to be rental discounts or concessions agreed to in writing. Upon your default, we have all other legal remedies, including Lease termination and statutory lockout under Texas Property Code sec. 92.0081, **except as lockouts and liens are prohibited by Texas Government Code sec. 2306.6738 for owners supported by housing-tax-credit allocations.** A prevailing party may recover reasonable attorney's fees and all other litigation costs from the nonprevailing parties, except a party may not recover attorney's fees and litigation costs in connection with a party's claims seeking personal-injury, sentimental, exemplary or punitive damages. We may recover attorney's fees in connection with enforcing our rights under this Lease. All unpaid amounts you owe, including judgments, bear 18% interest per year from the due date, compounded annually. You must pay all collection-agency fees if you fail to pay sums due within 10 days after we mail you a letter demanding payment and stating that collection-agency fees will be added if you don't pay all sums by that deadline.

- 32.6 Mitigation of Damages.** If you move out early, you'll be subject to Par. 10 and all other remedies. We'll exercise customary diligence to relet and minimize damages. We'll credit all later rent that we actually receive from subsequent residents against your liability for past-due and future rent and other sums due.

# General Clauses

## 33. Other Important Provisions.

- 33.1 Representatives' Authority; Waivers; Notice.** *Our representatives (including management personnel, employees, and agents) have no authority to waive, amend, or terminate this Lease or any part of it unless in writing, and no authority to make promises, representations, or agreements that impose security duties or other obligations on us or our representatives, unless in writing.* Any dimensions and sizes provided to you relating to the apartment are only approximations or estimates; actual dimensions and sizes may vary. No action or omission by us will be considered a waiver of our rights or of any subsequent violation, default, or time or place of performance. **Our choice to enforce, not enforce or delay enforcement of written-notice requirements, rental due dates, acceleration, liens, or other rights isn't a waiver under any circumstances.** Except when notice or demand is required by law, you waive any notice and demand for performance from us if you default. If anyone else has guaranteed performance of this Lease, a separate Lease Guaranty for each guarantor must be executed. Written notice to or from our managers constitutes notice to or from us. Any person giving a notice under this Lease should keep a copy or record of it. Fax or electronic signatures are binding. All notices must be signed. Notice may be given electronically **by us to you** if allowed by law. If allowed by law and in accordance with our policies, electronic notice **from you to us** must be addressed to the email address we provide for notice purposes or submitted through an online portal.

**33.2 Miscellaneous.** All remedies are cumulative. Exercising one remedy won't constitute an election or waiver of other remedies. All provisions regarding our nonliability or non-duty apply to our employees, agents, and management companies. No employee, agent, or management company is personally liable for any of our contractual, statutory, or other obligations merely by virtue of acting on our behalf. This Lease binds subsequent owners. This Lease is subordinate to existing and future recorded mortgages, unless the owner's lender chooses otherwise. All Lease obligations must be performed in the county where the apartment is located. If you have insurance covering the apartment or your personal belongings at the time you or we suffer or allege a loss, you agree to waive any insurance subrogation rights. All notices and documents may be in English and, at our option, in any other language that you read or speak. The term "including" in this Lease should be interpreted to mean "including but not limited to."

**33.3 Severability.** If any provision of this Lease is invalid or unenforceable under applicable law, it won't invalidate the remainder of the Lease or change the intent of the parties. Neither an invalid clause nor the omission of initials on any page invalidates this Lease.

**34. Payments.** Payment of each sum due is an independent covenant. When we receive money, other than sale proceeds under Par. 14 or water payments subject to government regulation, we may apply it at our option and without notice first to any of your unpaid obligations, then to current rent. We may do so regardless of notations on checks or money orders and regardless of when the obligations arose. All sums other than rent are due upon our demand. After the due date, we do not have to accept any payments.

**35. TAA Membership.** We represent that, at the time of signing this Lease, we, the management company representing us, or any locator service that procured you is a member in good standing of both the Texas Apartment Association and the affiliated local apartment association for the area where the apartment is located. The member is either an owner/management-company member or an associate member doing business as a locator service (whose name and address must be disclosed on page 8). If not, the following applies: (A) this Lease is voidable at your option and is unenforceable by us (except for property damages); and (B) we may not recover past or future rent or other charges. The above remedies also apply if both of the following occur: (1) the Lease is automatically renewed on a month-to-month basis more than once after membership in TAA and the local association has lapsed; and (2) neither the owner nor the management company is a member of TAA and the local association during the third automatic renewal. A signed affidavit from the affiliated local apartment association attesting to nonmembership when the Lease or renewal was signed will be conclusive evidence of nonmembership. Governmental entities may use TAA forms if TAA agrees in writing.

**When Moving Out**

**36. Move-Out Notice.**

**36.1 Requirements and Compliance.** Your move-out notice doesn't release you from liability for the full term of the Lease or renewal term. You'll still be liable for the entire Lease term if you move out early except under Par. 9, 17, 22, 23, or 31. **Your move-out notice must comply with each of the following:**

- (a) We must receive advance written notice of your move-out date. You must give notice in advance by at least the number of days required in Par. 3 or in special provisions—even if the Lease has become a month-to-month lease. Unless we require more than 30 days' notice, if you give notice on the first day of the month you intend to move out, it will suffice for move-out on the last day of that month, as long as all other requirements below are met.
- (b) Your move-out notice must be in writing. An oral move-out notice will not be accepted and will not terminate your Lease.
- (c) Your move-out notice must not terminate the Lease sooner than the end of the Lease term or renewal period.
- (d) If we require you to give us more than 30 days' written notice to move out before the end of the Lease term, we will give you 1 written reminder not less than 5 days nor more than 90 days before your deadline for giving us your written move-out notice. If we fail to give a reminder notice, 30 days' written notice to move-out is required.

**36.2 Unacceptable Notice.** **Your notice is not acceptable if it doesn't comply with all of the above.** We recommend that you use our written move-out form to ensure that you provide all the information needed. You must get from us a written acknowledgment of your notice. If we fail to give a reminder notice, 30 days' written notice to move out is required. If we terminate the Lease, we must give you the same advance notice—unless you are in default.

**37. Move-Out Procedures.** The move-out date can't be changed unless we and you both agree in writing. You won't move out before the Lease term or renewal period ends unless all rent for the entire Lease term or renewal period is paid in full. Early move-out may result in reletting charges and acceleration of future rent under Par. 10 and 32. You're prohibited by law from applying any security deposit to rent. You can't stay beyond the date you're supposed to move out. All residents, guests, and occupants must surrender or abandon the apartment before the 30-day period for deposit refund begins. You must give us and the U.S. Postal Service, in writing, each resident's forwarding address.

**38. Cleaning.** You must thoroughly clean the apartment, including doors, windows, furniture, bathrooms, kitchen appliances, patios, balconies, garages, carports, and storage rooms. You must follow move-out cleaning instructions if they have been provided. If you don't clean adequately, you'll be liable for reasonable cleaning charges—including charges for cleaning carpets, draperies, furniture, walls, etc. that are soiled beyond normal wear (that is, wear or soiling that occurs without negligence, carelessness, accident, or abuse).

**39. Move-Out Inspection.** You should meet with our representative for a move-out inspection. Our representative has no authority to bind or limit us regarding deductions for repairs, damages, or charges. Any statements or estimates by us or our representative are subject to our correction, modification, or disapproval before final accounting or refunding.

**40. Security Deposit Deductions and Other Charges.** You'll be liable for the following charges, if applicable: unpaid rent; unpaid utilities; unreimbursed service charges; repairs or damages caused by negligence, carelessness, accident, or abuse, including stickers, scratches, tears, burns, stains, or unapproved holes; replacement cost of our property that was in or attached to the apartment and is missing; replacing dead or missing alarm or detection-device batteries at any time; utilities for repairs or cleaning; trips to let in company representatives to remove your telephone, Internet, television services, or rental items (if you so request or have moved out); trips to open the apartment when you or any guest or occupant is missing a key; unreturned keys; missing or burned-out light bulbs; removing or rekeying unauthorized security devices or alarm systems; agreed reletting charges; packing, removing, or storing property removed or stored under Par. 14; removing illegally parked vehicles; special trips for trash removal caused by parked vehicles blocking dumpsters; false security-alarm charges unless due to our negligence; animal-related charges under Par. 6 and 27; government fees or fines against us for violation (by you, your occupants, or your guests) of local ordinances relating to alarms and detection devices, false alarms, recycling, or other matters; late-payment and returned-check charges; a charge (not to exceed \$150) for our time and inconvenience in our lawful removal of an animal or in any valid eviction proceeding against you, plus attorney's fees, court costs, and filing fees actually paid; and other sums due under this Lease. You'll be liable to us for: (A) charges for replacing any keys and access devices referenced in Par. 5 if you don't return them all on or before your actual move-out date; (B) accelerated rent if you've violated Par. 32; and (C) a reletting fee if you've violated Par. 10. **We may also deduct from your security deposit our reasonable costs incurred in rekeying security devices required by law if you vacate the apartment in breach of this Lease.**

**41. Deposit Return, Surrender, and Abandonment.**

**41.1 Your Deposit.** We'll mail you your security-deposit refund (less lawful deductions) and an itemized accounting of any deductions, no later than 30 days after surrender or abandonment, unless laws provide otherwise.

**41.2 Surrender.** You have **surrendered** the apartment when: (A) the move-out date has passed and no one is living in the apartment in our reasonable judgment; **or** (B) apartment keys and access devices listed in Par. 5 have been turned in to us—whichever happens first.

**41.3 Abandonment.** You have **abandoned** the apartment when all of the following have occurred: (A) everyone appears to have moved out in our reasonable judgment; (B) clothes, furniture, and personal belongings have been substantially removed in our reasonable judgment; (C) you've been in default for nonpayment of rent for 5 consecutive days, or water, gas, or electric service for the apartment not connected in our name has been terminated or transferred; **and** (D) you've not responded for 2 days to our notice left on the inside of the main entry door stating that we consider the apartment abandoned. An apartment is also considered abandoned 10 days after the death of a sole resident.

**41.4 The Ending of Your Rights.** Surrender, abandonment, or judicial eviction ends your right of possession for all purposes and gives us the immediate right to clean up, make repairs in, and relet the apartment; determine any security-deposit deductions; and remove property left in the apartment. Surrender, abandonment, and judicial eviction affect your rights to property left in the apartment (Par. 14), but don't affect our mitigation obligations (Par. 32).

Animal Addendum

Date of Lease: June 1, 2018

(when the Lease is filled out)

Please note: We consider animals a serious responsibility and a risk to each resident in the dwelling. If you do not properly control and care for an animal, you'll be liable if it causes damage or disturbs other residents.

1. Dwelling Unit.

Unit # 000  
at 2516 Louise Street (street address)  
in Denton (city),  
Texas 76201 (zip code).

2. Lease Contract.

Lease Contract date: June 1, 2018  
Owner's name: Lux Apartments  
  
  
Residents (list all residents): John Doe, George Doe

3. Conditional Authorization for Animal. You may keep the animal or animals described below in the dwelling until the Lease Contract expires. We may terminate this authorization sooner if your right of occupancy is lawfully terminated or if in our judgment you, your animal, your guest, or any occupant violates any of the rules in this addendum.

4. Animal Deposit. You must pay a one-time animal deposit of \$ 250.00 when you sign this addendum. This deposit adds to your total security deposit under the Lease Contract, and we consider that total balance a general security deposit for all purposes. Refund of the total security deposit is subject to the terms and conditions in the Lease Contract, and this animal-deposit portion of the total deposit is not separately refundable even if the animal is removed.

5. Assistance or Service Animals. When allowed by applicable laws, we may require written verification of or make other inquiries regarding the disability-related need for an assistance or service animal for a person with a disability. We will not charge an animal deposit, additional rent, or other fee for any authorized assistance or service animal. Except as provided by applicable law, all other provisions of this addendum apply to assistance or service animals.

6. Search and Rescue Dogs. We may ask the handler of a search and rescue dog for proof he or she is a person with a certification issued by a nationally recognized search and rescue agency before we authorize a search and rescue dog. If we authorize a search and rescue dog, we will not charge an animal deposit, additional rent or other fee for any such dog. Except as provided by applicable law, all other provisions of this addendum apply to search and rescue dogs.

7. Additional Monthly Rent. Your total monthly rent (as stated in the Lease Contract) will be increased by \$ 10.00.

8. Additional Fee. You must also pay a one-time nonrefundable fee of \$ to keep the animal in the dwelling unit. The fee is due when you sign this addendum.

9. Liability Not Limited. The additional monthly rent and additional security deposit under this Animal Addendum do not limit residents' liability for property damage, cleaning, deodorization, defleaing, replacements, or personal injuries.

10. Description of Animal. You may keep only the animal or animals described below. You may not substitute any other animal. Neither you nor your guests or occupants may bring any other animal—mammal, reptile, bird, amphibian, fish, rodent, arachnid, or insect—into the dwelling or apartment community.

13. Animal Rules. You are responsible for the animal's actions at all times. You agree to follow these rules:

- 13.1 Shots and Licenses. The animal at all times must have current rabies shots and licenses required by law. You must show us evidence of the shots and licenses if we ask.
- 13.2 Disturbances. The animal must not disturb the neighbors or other residents, regardless of whether the animal is inside or outside the dwelling.
- 13.3 Housebreaking, Cages, Offspring. Dogs, cats, assistance or service animals, and search and rescue dogs must be housebroken. All other animals must be caged at all times. No animal offspring are allowed.
- 13.4 Indoor Waste Areas. Inside, the animal may urinate or defecate only in these designated areas: No.
- 13.5 Outdoor Waste Areas. Outside, the animal may urinate or defecate only in these designated areas: Off property.
- 13.6 Tethering. Animals may not be tied to any fixed object anywhere outside the dwelling units, except in fenced yards (if any) for your exclusive use.

**13.7 Off-Limit Areas.** You must not let an animal—other than an assistance or service animal—into swimming-pool areas, laundry rooms, offices, clubrooms, other recreational facilities, or other dwelling units besides your own, except that search and rescue dogs shall be allowed to use areas of the property accessible to the general public, such as the leasing office. Certain service animals in training shall also be allowed to use those areas when accompanied by an approved trainer.

**13.8 Food & Water.** Your animal must be fed and given water inside the dwelling unit. You may not leave animal food or water outside the dwelling unit at any time, except in fenced yards (if any) for your exclusive use.

**13.9 Leash.** You must keep the animal on a leash and under your supervision when outside the dwelling or in any private fenced area. We or our representative may pick up unleashed animals, report them to the proper authorities, or do both. We'll charge you a reasonable fee for picking up and keeping unleashed animals.

**13.10 Animal Waste.** Unless we have designated a particular area in your dwelling unit or on the grounds for animal defecation and urination, you are prohibited from letting an animal defecate or urinate anywhere on our property and you must take the animal off our property for that purpose. If we allow animal defecation inside the unit, you must ensure that it's done in a litter box with a kitty-litter-type mix. If the animal defecates anywhere on our property (including in a fenced yard for your exclusive use), you must immediately remove the waste and repair any damage. In addition to the terms of this addendum, you must comply with all local ordinances regarding animal defecation.

**14. Additional Rules.** We may make reasonable changes to the animal rules from time to time if we distribute a written copy of any changes to every resident who is allowed to have animals.

**15. Violation of Rules.** If you, your guest, or any occupant violates any rule or provision of this addendum (in our judgment) and we give you written notice of the violation, you must remove the animal immediately and permanently from the premises. We also have all other rights and remedies set forth in paragraph 27 of the Lease Contract, including eviction and recovering damages and attorney's fees from you.

**16. Complaints About Animal.** If we receive a reasonable complaint from a neighbor or other resident or if we, in our sole discretion, determine that the animal has disturbed neighbors or other residents, we will give you written notice and you must immediately and permanently remove the animal from the premises.

**17. Our Removal of an Animal.** In some circumstances, we may enter the dwelling unit and remove the animal within one day after leaving a written notice in a conspicuous place.

**17.1 Causes for Removal.** We can remove an animal under this paragraph if, in our sole judgment, you have:

- (A) abandoned the animal;  
(B) left the animal in the dwelling unit for an extended period of time without food or water;  
(C) failed to care for a sick animal;  
(D) violated our animal rules; OR  
(E) let the animal defecate or urinate where it's not allowed.

**17.2 Removal Process.** To remove an animal, we must follow the procedures in paragraphs 27 and 28 of the Lease Contract, and we may turn the animal over to a humane society or local authority. We'll return the animal to you upon request if we haven't already turned it over to a humane society or local authority. We don't have a lien on the animal for any purpose, but you must pay for reasonable care and kenneling charges for the animal. If you don't pick up the animal within five days after we remove it, it will be considered abandoned.

**18. Liability for Damage, Injuries, Cleaning.** Except for reasonable wear and tear resulting from an assistance or service animal, you and all co-residents are jointly and severally liable for the entire amount of any damage the animal causes, including cleaning, defleaing, or deodorizing. This provision applies to all parts of the dwelling unit including carpets, doors, walls, drapes, wallpaper, windows, screens, furniture, and appliances, as well as landscaping and other outside improvements. If an item cannot be satisfactorily cleaned or repaired, you must pay for us to replace it. Payment for damage, repairs, cleaning, replacements, and the like are due immediately upon demand. As the owner, you're strictly liable for the entire amount of any injury that your animal causes to another person or to anyone's property. You indemnify us for all costs of litigation and attorney's fees resulting from any such injury or damage.

**19. Move-Out.** Except for reasonable wear and tear resulting from an assistance or service animal, when you move out, you'll pay for defleaing, deodorizing, and shampooing to protect future residents from possible health hazards, regardless of how long the animal was there. We—not you—will arrange for these services.

**20. Multiple Residents.** Each resident who signed the Lease Contract must also sign this addendum. You, your guests, and any occupants must follow all animal rules. Each resident is jointly and severally liable for damages and all other obligations set forth in this addendum, even if the resident does not own the animal.

**21. Dog Park.** We may provide an area to be used as a dog park. While using the park, you will be required to supervise your dog, but may remove the leash. Leashes must be used while traveling to and from the park. The park is not supervised or monitored in any way, and you use the park at your own risk. We are not liable for any injury, damage or loss which is caused as a result of any problem, defect or malfunction of the park. We are also not liable for injury, damage or loss to any person, animal or property caused by any other person or animal, including, but not limited to, dog bite, trespass, assault or any other crime. Furthermore, we are not liable for any disruption in the park's operation or performance. You hereby release us and our agents, contractors, employees and representatives from any liability connected with the park. You agree to be responsible for any property damage caused by you, your guests or other occupants to the park. You understand that participating in any activity at the park carries a risk of injury, and you are willing to assume this risk. We make no representations or warranties of any kind regarding the park.

**22. General.** You acknowledge that no other oral or written agreement exists regarding animals. Except for any special provisions noted in paragraph 11 above, our representative has no authority to modify this addendum or the animal rules except in writing as described under paragraph 14. This Animal Addendum and the animal rules are considered part of the Lease Contract described above.

# Mold Information and Prevention Addendum

Date of Lease: **June 1, 2018**  
(when the Lease is filled out)

Please note: We want to maintain a high-quality living environment for our residents. To help achieve this goal, it is important that we work together to minimize any mold growth in your dwelling. This addendum contains important information for you, and responsibilities for both you and us.

**1. Addendum.** This is an addendum to the Lease Contract executed by you, the resident or residents, on the dwelling you have agreed to rent.

That dwelling is: Unit # 000

at **Lux Apartments**

(name of apartments)

or other dwelling located at \_\_\_\_\_

\_\_\_\_\_

*(street address of house, duplex, etc.)*

City/State/Zip where dwelling is located: \_\_\_\_\_

\_\_\_\_\_

**2. About Mold.** Mold is found everywhere in our environment, both indoors and outdoors and in both new and old structures. Molds are nothing new—they are natural microscopic organisms that reproduce by spores. They have always been with us. In the environment, molds break down organic matter and use the end product for food. Without molds we would all be struggling with large amounts of dead organic matter. Mold spores (like plant pollen) spread through the air and are commonly transported by shoes, clothing, and other materials. Mold can grow inside a dwelling when excess moisture is present. There is conflicting scientific evidence about how much mold must accumulate before it creates adverse health effects on people and animals. Even so, we must take appropriate precautions to prevent its buildup.

**3. Preventing Mold Begins with You.** To minimize the potential for mold growth in your dwelling, you must:

- Keep your dwelling clean—particularly the kitchen, the bathrooms, carpets, and floors. Regular vacuuming and mopping of floors, plus cleaning hard surfaces using a household cleaner, are all important to remove the household dirt and debris that harbor mold or food for mold. Throw away moldy food immediately.
- Remove visible moisture accumulations on windows, walls, ceilings, floors, and other surfaces as soon as reasonably possible. Look for leaks in washing-machine hoses and discharge lines—especially if the leak is large enough for water to seep into nearby walls. If your dwelling has them, turn on exhaust fans in the bathroom before showering and in the kitchen before cooking with open pots. Also when showering, keep the shower curtain inside the tub (or fully close the shower doors). Experts also recommend that after a shower or bath you (1) wipe moisture off shower walls, shower doors, the bathtub, and the bathroom floor; (2) leave the bathroom door open until all moisture on the mirrors and bathroom walls and tile surfaces has dissipated; and (3) hang up your towels and bath mats so they will completely dry out.
- Promptly notify us in writing about any air-conditioning or heating-system problems you discover. Follow any of our rules about replacing air filters. It’s also good practice to open windows and doors periodically on days when the outdoor weather is dry (i.e., humidity is below 50%) to help humid areas of your dwelling dry out.
- Promptly notify us in writing of any signs of water leaks, water infiltration, or mold. We will respond in accordance with state law and the Lease Contract to repair or remedy the situation as necessary.

**4. Avoiding Moisture Buildup.** To avoid mold growth, it’s important to prevent excess moisture buildup in your dwelling. Failing to promptly attend to leaks and moisture accumulations on dwelling surfaces can encourage mold growth, especially in places where they might get inside walls or ceilings. Prolonged moisture can come from a wide variety of sources, such as:

- rainwater leaking from roofs, windows, doors, and outside walls, as well as flood waters rising above floor level;
- overflows from showers, bathtubs, toilets, sinks, washing machines, dehumidifiers, refrigerator or air-conditioner drip pans, or clogged air-conditioner condensation lines;
- leaks from plumbing lines or fixtures, and leaks into walls from bad or missing grouting or caulking around showers, bathtubs, or sinks;
- washing-machine hose leaks, plant-watering overflows, pet urine, cooking spills, beverage spills, and steam from excessive open-pot cooking;
- leaks from clothes-dryer discharge vents (which can put a lot of moisture into the air); and
- insufficient drying of carpets, carpet pads, shower walls, and bathroom floors.

**5. Cleaning Mold.** If small areas of mold have already accumulated on nonporous surfaces (such as ceramic tile, formica, vinyl flooring, metal, wood, or plastic), the Environmental Protection Agency recommends that you first clean the areas with soap (or detergent) and water and let the surface dry thoroughly. (Applying biocides without first cleaning away the dirt and oils from the surface is like painting over old paint without first cleaning and preparing the surface.) When the surface is dry—and within 24 hours of cleaning—apply a premixed spray-on household biocide such as Lysol Disinfectant®, Original Pine-Sol® Cleaner, Tilex Mold & Mildew Remover® or Clorox® Clean-up® Cleaner + Bleach. (Note two things: First, only a few of the common household cleaners can actually kill mold. Second, Tilex and Clorox contain bleach, which can discolor or stain surfaces, so follow the instructions on the container.) Always clean and apply a biocide to an area five or six times larger than any mold you see—mold can be present but not yet visible to the naked eye. A vacuum cleaner with a high-efficiency particulate air (HEPA) filter can be used to help remove nonvisible mold products from porous items such as fibers in sofas, chairs, drapes, and carpets—provided the fibers are completely dry. Machine washing or dry-cleaning will remove mold from clothes.

**6. Warning for Porous Surfaces and Large Surfaces.** Do not clean or apply biocides to visible mold on porous surfaces such as sheetrock walls or ceilings or to large areas of visible mold on nonporous surfaces. Instead, notify us in writing and we will take appropriate action to comply with Section 92.051 et seq. of the Texas Property Code, subject to the special exceptions for natural disasters.

**7. Compliance.** Complying with this addendum will help prevent mold growth in your dwelling, and both you and we will be able to respond correctly if problems develop that could lead to mold growth. If you have questions about this addendum, please contact us at the management office or at the phone number shown in your Lease Contract.

**If you fail to comply with this addendum, you can be held responsible for property damage to the dwelling and any health problems that may result. We can’t fix problems in your dwelling unless we know about them.**

## Asbestos Addendum

Date of Lease: June 1, 2018

(when the Lease is filled out)

1. **Addendum.** This is an addendum to the Lease Contract executed by you, the resident(s), on the dwelling you have agreed to rent. That dwelling is:

Apt. # 000 at Lux Apartments

(name of apartments)

or other dwelling located at

(street address of house, duplex, etc.)

City/State where dwelling is located
2. **Asbestos.** In most dwellings which were built prior to 1981, asbestos was commonly used as a construction material. In various parts of your dwelling, asbestos materials may have been used in the original construction or in renovations prior to the enactment of federal laws which limit asbestos in certain construction materials.

3. **Federal Recommendations.** The United States Environmental Protection Agency (EPA) has determined that the mere presence of asbestos materials does not pose a health risk to residents and that such materials are safe so long as they are not dislodged or disturbed in a manner that causes the asbestos fibers to be released. Disturbances include sanding, scraping, pounding, or other techniques that produce dust and cause the asbestos particles to become airborne. The EPA does not require that intact asbestos materials be removed. Instead, the law simply requires that we take reasonable precautions to minimize the chance of damage or disturbance of those materials.

4. **Community Policies and Rules.** You, your families, other occupants, and guests must not disturb or attach anything to the walls, ceilings, floor tiles, or insulation behind the walls or ceilings in your dwelling unless specifically allowed in owner's rules or community policies that are separately attached to this Lease Contract. The foregoing prevails over other provisions of the Lease Contract to the contrary. Please report any ceiling leaks to management promptly so that pieces of acoustical ceiling material or ceiling tiles do not fall to the floor and get disturbed by people walking on the fallen material.

LEASE ADDENDUM FOR SATELLITE DISH OR ANTENNA

Under a Federal Communications Commission (FCC) order, you as our resident have a right to install a transmitting or receiving satellite dish or antenna on the leased premises, subject to FCC limitations. We as a rental housing owner are allowed to impose reasonable restrictions relating to such installation. You are required to comply with these restrictions as a condition of installing such equipment. This addendum contains the restrictions that you and we agree to follow.

1. **Addendum.** This is an addendum to the lease between you and us for Apt. No. 000 in the Lux Apartments in Denton, Texas
- OR
- the house, duplex, etc. located at (street address) in , Texas.
2. **Number and size.** You may install satellite dish(es) or antenna(s) on the leased premises. A satellite dish may not exceed one meter (3.3 feet) in diameter. Antennas that only transmit signals or that are not covered by 47 CFR §1.4000 are prohibited.
3. **Location.** Your satellite dish or antenna must be located: (1) inside your dwelling; or (2) in an area outside your dwelling such as a balcony, patio, yard, etc. of which you have exclusive use under your lease. Installation is not permitted on any parking area, roof, exterior wall, window, window sill, fence, or common area, or in an area that other residents are allowed to use. A satellite dish or antenna may not protrude beyond the vertical and horizontal space that is leased to you for your exclusive use.
4. **Safety and non-interference.** Your installation: (1) must comply with all applicable ordinances and laws and all reasonable safety standards; (2) may not interfere with our cable, telephone or electrical systems or those of neighboring properties; (3) may not be connected to our telecommunication systems; and (4) may not be connected to our electrical system except by plugging into a 110-volt duplex receptacle. If the satellite dish or antenna is placed in a permitted outside area, it must be safely secured by one of three methods: (1) securely attaching it to a portable, heavy object such as a small slab of concrete; (2) clamping it to a part of the building's exterior that lies within your leased premises (such as a balcony or patio railing); or (3) any other method approved by us in writing. No other methods are allowed. We may require reasonable screening of the satellite dish or antenna by plants, etc., so long as it does not impair reception.
5. **Signal transmission from exterior dish or antenna to interior of dwelling.** Under the FCC order, you may not damage or alter the leased premises and may not drill holes through outside walls, door jams, window sills, etc. If your satellite dish or antenna is installed outside your dwelling (on a balcony, patio, etc.), the signals received by it may be transmitted to the interior of your dwelling only by the following methods: (1) running a “flat” cable under a door jam or window sill in a manner that does not physically alter the premises and does not interfere with proper operation of the door or window; (2) running a traditional or flat cable through a pre-existing hole in the wall (that will not need to be enlarged to accommodate the cable); (3) connecting cables “through a window pane,” similar to how an external car antenna for a cellular phone can be connected to inside wiring by a device glued to either side of the window—without drilling a hole through the window; (4) wireless transmission of the signal from the satellite dish or antenna to a device inside the dwelling; or (5) any other method approved by us in writing.
6. **Safety in installation.** In order to assure safety, the strength and type of materials used for installation must be approved by us. Installation must be done by a qualified person or company approved by us. Our approval will not be unreasonably withheld. An installer provided by the seller of the satellite dish or antenna is presumed to be qualified.
7. **Maintenance.** You will have the sole responsibility for maintaining your satellite dish, antenna, and all related equipment.
8. **Removal and damages.** You must remove the satellite dish or antenna and all related equipment when you move out of the dwelling. In accordance with TAA Lease Contract paragraph 41, you must pay for any damages and for the cost of repairs or repainting caused by negligence, carelessness, accident. or abuse which may be reasonably necessary to restore the leased premises to its condition prior to the installation of your satellite dish, antenna. or related equipment. You will not be responsible for normal wear and tear
9. **Liability insurance and indemnity.** You must take full responsibility for the satellite dish, antenna, and related equipment. If the dish or antenna is installed at a height or in some other way that could result in injury to others if it becomes unattached and falls, you must provide us with evidence of liability insurance to protect us against claims of personal injury and property damage to others, related to your satellite dish, antenna, and related equipment. The insurance coverage must be \$, which is an amount reasonably determined by us to accomplish that purpose. Factors affecting the amount of insurance include height of installation above ground level, potential wind velocities, risk of the dish/antenna becoming unattached and falling on someone, etc. You agree to hold us harmless and indemnify us against any of the above claims by others.
10. **Security deposit.** Your security deposit (in paragraph 4 of your Lease Contract) is increased by an additional reasonable sum of \$ effective at time of installation or effective within days of installation to help protect us against possible repair costs, damages, or failure to remove the satellite dish, antenna and related equipment at time of move-out. Factors affecting any security deposit may vary, depending on: (1) how the dish or antenna is attached (nails, screws, lag bolts drilled into walls); (2) whether holes were permitted to be drilled through walls for the cable between the satellite dish and the TV; and (3) the difficulty and cost of repair or restoration after removal, etc. A security deposit increase does not imply a right to drill into or alter the leased premises.
11. **When you may begin installation.** You may start installation of your satellite dish, antenna, or related equipment only after you have: (1) signed this addendum; (2) provided us with written evidence of the liability insurance referred to in paragraph 9 of this addendum; (3) paid us the additional security deposit, if applicable, in paragraph 10; and (4) received our written approval, which may not be unreasonably withheld, of the installation materials and the person or company that will do the installation.
12. **Miscellaneous.** If additional satellite dishes or antennas are desired, an additional lease addendum must be executed.

LEASE ADDENDUM REGARDING  
MOVE-OUT NOTICE

1. **Addendum.** This is an addendum to the TAA Lease Contract for Apt. No. 000 in the Lux Apartments  
\_\_\_\_\_ Apartments in Denton, Texas  
OR the house, duplex, etc. located at (street address) \_\_\_\_\_ in \_\_\_\_\_, Texas.

2. **Replacement of Lease Contract language.** The language of paragraph 36 of the TAA Lease Contract is entirely replaced by the language of this addendum.

3. **Move-out notice.** Before moving out, you must give our representative advance written move-out notice as provided below.

Your move-out notice will not release you from liability for the full term of the Lease Contract or renewal term. You will still be liable for the entire Lease Contract term if you move out early (paragraph 22) except under the situations provided in paragraphs 2, 9, 17, 23 or 31. YOUR MOVE-OUT NOTICE MUST COMPLY WITH EACH OF THE FOLLOWING:

- We must receive advance written notice of your move-out date. The advance notice must be at least the number of days of notice required in paragraph 3 or in special provisions--even if the Lease Contract has become a month-to-month lease. If a move-out notice is received on the first, it will suffice for move-out on the last day of the month of

intended move out, provided that all other requirements below are met.

- The move-out date in your notice *[check one]*:  
☐ must be the last day of the month; or ☒ may be the exact day designated in your notice. *If neither is checked, the second applies.*
- Your move-out notice must be in writing. Oral move-out notice will not be accepted and will not terminate your Lease Contract.
- Your move-out notice must not terminate the Lease Contract sooner than the end of the Lease Contract term or renewal period.
- If we require you to give us more than 30 days written notice to move out before the end of the lease term, we will give you one written reminder not less than 5 days nor more than 90 days before your deadline for giving us your written move-out notice. For month-to-month leases under such circumstances, you acknowledge that you must give us \_\_\_\_\_ days move-out notice, but we are not required to give you any additional advance reminder notices.

YOUR NOTICE IS NOT ACCEPTABLE IF IT DOES NOT COMPLY WITH ALL OF THE ABOVE. Please use our written move-out form. You must obtain from our representative written acknowledgment that we received your move-out notice. If we terminate the Lease Contract, we must give you the same advance notice--unless you are in default.

NO SMOKING LEASE ADDENDUM

1. **Addendum.** This is an addendum to the TAA Lease Contract for Apt. No. 000 in the **Lux Apartments** in Denton, Texas.

**OR**

the house, duplex, etc. located at (street address) \_\_\_\_\_ in \_\_\_\_\_, Texas.

2. **Smoking,** in any form, anywhere inside any of the dwelling units, or inside any buildings within the apartment community, is strictly prohibited. This is our no-smoking policy; and you agree that any violation of the no-smoking policy is a material and substantial violation of this addendum and a breach of the TAA Lease Contract.

The prohibition of smoking extends to all residents, their occupants, guests, invitees and all others who are present on or in any portion of the community. The no-smoking policy and rules extend to, but are not limited to, the leasing offices, building interiors and hallways, building common areas, dwelling units, club house, exercise or spa facility, indoor tennis courts, all interior areas of the community, commercial shops, businesses, work areas, and all other spaces whether in the interior of the community or in the enclosed spaces on community grounds. Smoking is also prohibited by this addendum inside any dwelling or building, whether leased by you or another.

3. **Smoking permitted in designated areas of the apartment community.** Smoking is permitted only in specially designated areas, if any. The permissible smoking areas are marked by signs.

Smoking on balconies, patios, and limited common areas attached to or outside of your dwelling unit:

☐ is permitted

☒ is not permitted.

Only the following outside areas may be used for smoking: Downstairs smoking bench area only.

Smoking is permitted only in specially designated areas outside the buildings of the apartment community. Smoking must be at least \_\_\_\_\_ feet from the buildings in the apartment community, including administrative office buildings. If the previous field is not completed, smoking is only permitted at least 25 feet from the buildings in the apartment community, including administrative office buildings. The smoking-permissible areas are marked by signage.

Even though smoking may be permitted in certain limited outside areas, we reserve the right to direct that you and your occupants, family, guests, and invitees immediately cease smoking in those areas if smoke is entering a dwelling or building or if it is interfering with the rights, comfort, health, safety or convenience of others in or near the apartment community or rental premises.

4. **Your responsibility for damages and cleaning.** You are responsible for payment of all costs and damages to your dwelling unit, other residents' dwelling units, or any other portion of the community for repair, replacement, or cleaning and odor removal due to smoking or smoke-related damage caused by you or your occupants, family, guests, or invitees, regardless of whether such use was a violation of this addendum. You agree that any costs or damages we incur related to repairs, replacement, cleaning and odor removal due to your smoking or due to your violation of the no-smoking provisions of the TAA Lease Contract are NOT normal wear and tear. You also agree that smoke-related damage, including but not limited to smoke odor that permeates sheetrock, carpeting, wood, insulation, or other components of the dwelling unit or building, shall always be in excess of normal wear and tear in our community and at the rental premises.
5. **Your responsibility for loss of rental income and economic damages regarding other residents.** You are responsible for payment of all lost rental income or other economic and financial damages or loss to us due to smoking or smoke-related damages caused by you or your occupants, family, guests, or invitees which results in or causes other residents to vacate their dwelling units, results in disruption of other residents' enjoyment of the community, adversely affects other residents' or occupants' health, safety, or welfare, or causes a qualified applicant to refuse to rent the unit because of smoke related damages including smoke odors.
6. **Definition of smoking.** "Smoking" refers to, but is not limited to, any use or possession of a cigar, cigarette, e-cigarette, hookah, vaporizer, or pipe containing tobacco or a tobacco product while that tobacco or tobacco product is burning, lighted, vaporized, or ignited, regardless of whether the person using or possessing the product is inhaling or exhaling the smoke from such product. The term tobacco includes, but is not limited to any form, compound, or synthesis of the plant of the genus Nicotiana or the species N. tabacum which is cultivated for its leaves to be used in cigarettes, cigars, e-cigarettes, hookahs, vaporizers, or pipes. Smoking also refers to use or possession of burning, lighted, vaporized, or ignited non-tobacco products if they are noxious, offensive, unsafe, unhealthy, or irritating to other persons.
7. **Lease Contract termination for violation of this addendum.** We have the right to exercise all remedies available to us for any violation of this addendum, which in turn is a default under the Lease, which include terminating your right of occupancy and possession. Violation of this addendum is a material and substantial default of the TAA Lease Contract. In the event we terminate your right of occupancy, you shall remain liable for all rent and other sums due under the TAA Lease Contract subject to any duty to mitigate.
8. **Extent of your liability for losses due to smoking.** Your responsibility for damages, cleaning, deodorizing, loss of rental income, and other economic damages under this addendum are in addition to, and not instead of your responsibility for any other damages or loss under the TAA Lease Contract or any other addendum.
9. **Your responsibility for conduct of occupants, family members and guests.** You are responsible for communicating the no-smoking policy and provisions of this addendum to your occupants, family, guests, and invitees and understand that a failure on their part to comply is the same as non-compliance by you.
10. **No warranty of a smoke-free environment.** Although we prohibit smoking in all interior parts of the dwelling units and community, there is no warranty or guaranty that your dwelling unit, buildings or the community is smoke-free. Smoking in certain limited outside areas may be allowed as provided in this Addendum. Enforcement of our no-smoking policy is a joint responsibility that requires your cooperation in reporting incidents or suspected violations of smoking. You must report violations of our no-smoking policy to us before we are obligated to investigate and take action. You agree to cooperate with us if it becomes necessary to pursue action for any violations of the no-smoking policy

This is an important and binding legal document. By signing this addendum you are acknowledging that a violation could lead to termination of your right of possession or your right to occupy the dwelling unit and premises. If you or someone in your household is a smoker, you should carefully consider whether you will be able to abide by the terms of this addendum. Before signing you must advise us whether you or anyone who will be living in your dwelling is a smoker. If you give an incorrect or false answer, you agree that is a default under the Lease. Provide your answer by checking one of the following boxes:

- ☐ Neither you nor anyone who will be living in the dwelling unit is a smoker and it is agreed no one will ever smoke in the unit.
- ☐ Someone who will be living in the dwelling unit is a smoker but it is agreed no one will ever smoke in the unit.

LEASE ADDENDUM ADDRESSING CARRYING HANDGUNS ONSITE

1. **Addendum.** This is an addendum to the TAA Lease Contract for Apt. No. 000 in the **Lux Apartments** in Denton, Texas. The terms of this addendum will control if the terms of the Lease and this addendum conflict.
2. **Texas law.** Texas allows qualified people to get a license to carry a handgun in either a “concealed” or “open” fashion. However, we may restrict even licensed holders from carrying handguns on our property. If we provide notice of our policy restricting the carrying of handguns, and you do not comply, you will be in violation of the Lease and may be engaging in criminal trespass.
3. **Community handgun carry policy.** Unlicensed persons may not carry a handgun anywhere in the apartment community, other than to transport their handguns between their apartments and their vehicles as long as handguns are not in plain view. Whether or not you hold a license under the Texas handgun licensing law, by signing this addendum, you understand and agree as follows (the specific agreements are indicated by the options that are marked):
- ☒ Option 1: Pursuant to Section 30.06, Penal Code (trespass by license holder with a concealed handgun), a person licensed under Subchapter H, Chapter 411, Government Code (handgun licensing law), may not enter this property with a concealed handgun. The only exception is that we allow license holders to transport their handguns between their vehicles and their apartments.
  - ☐ Option 2: Pursuant to Section 30.07, Penal Code (trespass by license holder with an openly carried handgun), a person licensed under Subchapter H, Chapter 411, Government Code (handgun licensing law), may not enter this property with a handgun that is carried openly. The only exception is that we allow license holders to transport their handguns between their vehicles and their apartments.
  - ☐ Option 3: Pursuant to Section 30.06, Penal Code (trespass by license holder with a concealed handgun), a person licensed under Subchapter H, Chapter 411, Government Code (handgun licensing law), may not enter ☐ the leasing office or ☐ any common rooms/amenities of this property with a concealed handgun. (If neither is checked, concealed handguns are prohibited in both).
  - ☐ Option 4: Pursuant to Section 30.07, Penal Code (trespass by license holder with an openly carried handgun), a person licensed under Subchapter H, Chapter 411, Government Code (handgun licensing law), may not enter ☐ the leasing office or ☐ any common rooms/amenities of this property with a handgun that is carried openly. (If neither is checked, openly carried handguns are prohibited in both).
4. **General acknowledgment and agreement.** By signing this addendum, you acknowledge and agree that:
- (a) you and your occupants and guests will adhere to any of our other policies concerning handguns as set forth in the Lease or any community policies we issue;
  - (b) you have been provided the apartment community’s policy or policies concerning handguns and will follow them;
  - (c) you will inform all of your occupants or guests what the the apartment community’s policy or policies concerning handguns are and that they are subject to the same policy or policies as you;
  - (d) you understand that a violation of this addendum will be a violation of the Lease and could be considered criminal trespass under Texas law; and
  - (e) you will promptly provide written notice to us of any violations of our handgun or other weapons policies that you observe.
5. **Assumption of risk/waiver.** By signing this addendum and taking possession of the apartment, you acknowledge and agree that:
- (a) we do not guarantee a gun-free environment at the apartment community and we cannot guarantee anyone’s safety;
  - (b) no action or omission by us under this addendum may be considered a waiver of our rights, or of any subsequent violation, default, or time or place of performance, even if we have actual knowledge of, or have been provided with written notice of a violation;
  - (c) our efforts to restrict the carrying of handguns at the apartment community do not in any way enlarge, restrict or otherwise change the standard of care that we would have to you or any other household in the apartment community to render any areas in the apartment community any safer, more secure, or improved as compared to any other rental property;
  - (d) we disclaim any express or implied warranties that any part of the apartment community will have any higher or improved safety or security standards than any other rental property;
  - (e) we cannot and do not warrant or promise that any part of the apartment community is or will be free from handguns or other weapons; and
  - (f) our ability to effectively monitor or enforce this addendum depends in large part on your and your occupants’ and guests’ cooperation and compliance.
